Greetings Oberlin Families,

We hope this communication finds our families well and that you have enjoyed a restful Spring Break. We look forward to having our students back with us so that we can finish the year strong! Third quarter concludes next week on April 9th, so please review Powerschool with your student to ensure that all recent assignments have been submitted. Please join us in celebrating Ms. Erin Wasko who received the honor of WCPSS School Library Media Coordinator of the year. This is a tremendous honor for Ms. Wasko, and we feel fortunate that students, staff, and families can learn and partner with her in our school community! As a school staff, we are committed to finishing fourth quarter strong, and we appreciate your partnership in helping your student to stay focused as we are approaching summer. Here's to a great first week back from Spring Break.

Principal Chat - Tuesday, April 16th - Join us for our final Principal Chat of the year on the much requested topic of Internet Safety on Tuesday, April 16th at 12:00pm. We are excited to host the NC Department of Justice for a presentation on Internet Safety and Middle School. As the online world continues to change, it can be challenging as a parent to keep up with trends that may or may not be harmful to our children. This program will help parents as we navigate this ever present part of our

lives. More information about the program can be found [here](#). Visitors should plan to enter via the auditorium / Media Center doors. We hope that you will be able to join us.
