

Daniels Magnet Middle School

2816 Oberlin Road
Raleigh, NC 27608
(919) 881 - 4860

Daniels Magnet Middle School Families,

Governor Cooper announced today that all public school buildings will remain closed for the rest of the school year. In keeping with this order, all WCPSS school buildings will remain closed for the remainder of this school year for in-person instruction.

Even though this was somewhat expected it is very sad. While the building was open yesterday I can't explain how wonderful it was to see some of our students. And, to hear from 8th graders that it was probably their last time in the building made things very real.

We will continue to support our community moving forward via virtual instruction and through any other means necessary. Please do not hesitate to email me (dgaudet@wcpss.net) if there is anything I can do to support you and your family.

Daniels Learning Packets

The county created grade level work for all four core subjects. We have used this material to create instructional packets for each grade level. Outside the Daniels main office we have three bins setup that house these instructional packets. Each bin is for a different grade level. **ONLY** if you are unable to access the virtual resources, then you can pick-up these instructional packets at anytime.

Daniels Outreach Video

Teachers sharing what they have been up to and how much they are missing their students in this [video](#).

Daniels Virtual Instruction Information

- After two week of virtual instruction, the teachers shared their thoughts on helpful tips and strategies for parents to support their child's learning. Here are those [slides](#). I added more information to the slides that was shared by teachers this week.
- Please watch this [VIDEO](#) on how to access Daniels Virtual Instruction Platforms
- [Daniels Magnet Middle School Virtual Learning One-Pager](#)

Devices

- We are still waiting to receive Chromebooks from the county
- After we receive the Chromebooks we will reach out to families in need of a device for remote learning with specific information related to pick-up
 - We will distribute the hot spots and Chromebooks at the same time

Registration Information

Attention Rising 7th and Rising 8th Grade Parents:

Please check the Student Services [website](#) for information on rising 7th and rising 8th grade online elective registration. Registration will be completed through the student Powerschool accounts. Copies of the 2020-2021 elective sheets and instructions are listed

on the website under the Middle School Registration tab on the left. Please reach out to your current grade-level counselor with any questions.

Additional registration information for [Rising 8th Grade Families](#).

Attention Rising 9th Grade Parents:

Ms. Rush has previously sent out information for High School registration in her most recent [newsletter](#). Students will use course selection sheets provided in their high school folders to register for high school classes through their Powerschool account. For more registration information, including instructions for registering, see Ms. Rush's [website](#) under the High School Registration tab. As a reminder, students with an interest in the Career Academy at their high school can still apply. Check your high school's website for specific application deadlines. Please reach out to Ms. Rush with any additional questions.

**ENJOY THE BEAUTIFUL
WEEKEND!**
