Daniels Magnet Middle School Families,

Thank you to the PTA for celebrating our fantastic staff this past Wednesday. Although it was a wet afternoon, the teachers enjoyed a fantastic lunch. The setup allowed them to abide by social distancing requirements but still enjoy each other's company.

Grading:

[Summary of Guidelines](#)

[Full Guidelines](#)

Teachers are finalizing grades next Thursday, May 28th. On Friday, May 29th, parents will be able to see the F1 numeric grade (Final Grade) in PowerSchools. All numeric grades will transition to either a PC-19 (passing with an average greater than or equal to 60%) or a WC-19 (withdrawn with an average of less than a 60%) during the final week of school (the week of June 8th).

If your child is taking a high school class, you will have to make the decision on whether you would like to opt-in to receive the numeric grade. If you do not opt-in to the numeric grade, the grade will show either as a PC-19 (passing with an average greater than or equal to 60%) or a WC-19 (withdrawn with an average of less than a 60%). In order to opt-in to a numeric grade you will need to complete this form ([English](#) or [Spanish](#)) and send it to Mr. Gaudet (dgaudet@wcpss.net) by June 5th. Again, the opt-in to a numeric grade is only for students taking high school level courses.

Lockers: Locker Clean-Out and Material Return will take place the week of June 1st. Please review this [presentation](#) for specifics about when your scheduled day is and the procedure for coming to school.

Additional Food Distribution Site: If you or someone you know is need of additional assistance with meals, please visit/share this [website](#) for information on weekend meal access.

Rising 6th Grade Orientation: Unfortunately, we were unable to host our orientation this year. However, we did create an [amazing website](#) that will help students as they

transition to Daniels next year. Feel free to pass along this information to new Daniels families. Even if you are a Daniels veteran, you might want to check out the site!
