Greetings Oberlin Families,

May is here, and we know that this means busy schedules. Please work with your student to map out assignments, plan ahead for tests and projects, and to encourage your student to reach out to teachers, right away, with any questions. Families, please follow our school and PTA communications closely for updates and announcements as we head into the end of our school year.

In doing so, we encourage you to complete the family survey for each school where you have a student enrolled. Parents or guardians with more than one student enrolled at a school should only complete the survey for that school once. Please complete the survey by May 17.
