Daniels Magnet Middle School Families,

Thank you to all the families who came in this week to clean out lockers, pick-up yearbooks, and drop-off materials. It was a strange way to say goodbye to our students, but it was really nice to have the energy of kids back in the building.

Next week it is the teachers turn. They will be at school clearing their rooms and getting things set for the beginning of next school year. So, if you were unable to come to the school this week, you will have to wait until the week of June 15th.

Celebration Videos:

There are a lot of things that we lost this school year. One of the most important things we do at Daniels is celebrate our students. Our students do amazing things, and at the end of the year we recognize those accomplishments.

Our staff has been working hard to put together a series of videos that showcase, highlight, and celebrate the talent at Daniels Magnet Middle School.

School Continues:

Even though gradebooks were closed on May 28th, teachers are still providing instruction. Core teachers will still be pushing out 2 hours worth of work a week and elective teachers will still be pushing out 1 hour worth of work a week. Teachers will still be holding daily office hours. It is imperative that students continue to work until the last day of school

(June 12th), so that they are as prepared as possible for the beginning of the next school-year.

Grading:

Teachers are in the process of transferring final grades from numeric to PC-19 or WC-19. If your child took a high school level class and you opted in to the numeric grade, that numeric grade will remain.

Rising 6th Grade Orientation: Unfortunately, we were unable to host our orientation this year. However, we did create an [amazing website](#) that will help students as they transition to Daniels next year. Feel free to pass along this information to new Daniels families. Even if you are a Daniels veteran, you might want to check out the site!

New Parent Portal Accounts: Parents that would like to set up a Parent Portal account to view their student's grades can download the [notary public form](#), have it notarized, then email or fax the form to Robin Morris at rmorris@wcpss.net or 919-670-4368 (fax). Ms. Morris will email the account information and instructions to the parent at the email address listed on the form. Please note that at this time we can only accept notarized forms.

Driver's Ed: Some students and parents have had questions about Driver's Ed. Ms. Rush contacted the Driver's Ed teacher at Broughton yesterday, and he says that Summer 2020 registration and scheduling have been put on hold for the time being. All of the Driver's Ed teachers throughout WCPSS High Schools work with Jordan Driving School, so this is the case for all of our 8th Graders attending one of those schools.

Ms. Rush recommends that you monitor the Jordan Driving School [website](#) throughout the summer and check your high school's website to find out if there will be any updates re: Driver's Ed for our rising 9th Graders.

Athletics:

Welcome to Athens Drive! We are looking forward to your child attending "The Drive" in the Fall of 2020. If your child is interested in participating in Athletics during the 2020 - 2021 school year please click on the link below titled 'Athens Drive Athletics Interest Form' and respond to all the questions. In June, the head coach of each of the sports we offer at Athens will send sport specific information to anyone that fills out the form indicating they would like additional information. All athletes must have an up to date physical prior to participating in any off season workouts or tryouts, I will send the physical paperwork out as soon as we receive the updated form for 2020 - 2021. The second link found below will take you to the Athens Drive Athletics website. At the top of the website you can register for our athletic department email group where you will receive information about schedules, sports passes for next year, and all other athletic department updates. If you have any questions feel free to email Travis Seese (tseese@wcpss.net), our Athletic Director, at anytime. Go JAGS!

Rising 7th Graders:

We have 151 students that are missing their MCV and/or TDAP. Please make that this is completed and documentation is submitted to student services prior to the 2020-2021 school year.

**Have a Wonderful
Weekend!**
