Oberlin Magnet Middle School Families,

I hope everyone is enjoying their summer. I would like to welcome our 6th grade families. Typically, I leave you alone during the summer. However, given the current state of education I wanted to ensure everyone had the most up to date information. Below are a few major updates related to Wake County and Oberlin Magnet Middle School.

1. If students received transportation last year, they DO NOT need to reapply for transportation this year. If students did not receive transportation last year, but need it this year, they need to apply [here](#). Requesting transportation needs to be done ASAP so that the Transportation Department can divide students into the three tracks.
2. The county is dividing students into thirds based off of transportation needs and sibling alignment. This will impact schedules as we will need to ensure teams remain balanced with new track assignments. Therefore, we are unable to grant scheduling requests.
3. If you are in need of a device or internet access, please continue to monitor your email and the WCPSS website. The county, not the school, will be gathering information on technology needs and device distribution.
4. The county has opened the window for parents to enroll their child in the Virtual Academy. More information about the Virtual Academy (including registration) can be found [here](#).
5. We had over 3000 responses to our mascot survey. Be sure to be checking the Oberlin website and Twitter accounts for the mascot reveal on Monday, July 13th.

Have a wonderful rest of the weekend!
