

Greetings Eighth Grade Families,

The end of eighth grade is upon us. This year we look forward to recognizing each student during a promotional assembly to celebrate their efforts and achievement throughout middle school

Promotional assemblies will take place following the schedule below, with each student attending the ceremony for their homeroom / first period teacher. (Please note, it is not possible for students to shift to alternate ceremonies.)

Tickets are not required, and with one team per ceremony, we anticipate sufficient seating for guests. Guests will be admitted to the Oberlin auditorium fifteen minutes prior to the start of each promotional assembly. To maintain the highest level of school security, guests must enter from the auditorium doors and will go directly to the auditorium. (Any guests needing to leave this immediate area will need to exit the building and check in at the main office with identification.)

During the promotional assembly, each student will be recognized by name and receive a certificate celebrating the completion of their middle school experience. **We respectfully ask that all families hold applause until the end of student recognition to ensure that each student and their family can hear their name recognized.** During the promotional assembly, we will also recognize our students who have earned all A's, for each quarter of sixth, seventh, and eighth grades.

Following the promotional assembly, families may take pictures with their student outside in the designated area for ten minutes following the assembly. After ten minutes, students should return to their homeroom class to continue with a great day.

If a family wishes to check out their student, the family will visit the Main Office via the outside path, and the student will be called down to the office once the checkout process is complete. We thank you in advance for respecting this procedure so that we can best ensure safety on our campus.

Students will attend their 8th grade promotional assembly by homeroom (1st period). Please check with your child to know who their homeroom teacher is so you know which promotion assembly to attend.

- **Mountaineers Team Promotional Ceremony** - June 6, 2024 at 8:45am
 - Homerooms: Savo, Papile, Williams, McClellan, Pioneers
- **Rangers Team Promotional Ceremony** - June 6, 2024 at 10:15am
