

Greetings, Oberlin Magnet Middle Families. I am honored to serve as the Interim Principal at Oberlin while the county identifies a new principal. While this is a challenging time for families and schools, I am confident that the Oberlin staff will continue to provide a wonderfully enriching middle school experience for all our students. If I can be of assistance to you, please do not hesitate to reach out to me by email at dkearney@wcpss.net or by calling the main office at 919 881-4860.

Here are a few updates for you and your students.

1. County leadership has indicated that teachers may begin to record live Google Classroom sessions. If you do not want your child to be recorded or on the live recording, please contact Ms. Robin Morris at rmorris@wcpss.net to indicate you would like to "opt out."
2. Please remind your students that if they access Google Classroom through the app on their phone, they will not be able to send messages to the teacher (they go straight to trash). Students will need to be signed into Rapid Identity before sending messages.
3. Please check PowerSchool for student grades if you have not already done so. If your student is missing work, they have until October 9 to complete and submit it. First quarter ends on October 22.
4. Monday, September 28 is a teacher workday. There will be no live classes on Monday.
5. Parents, if you requested a chromebook there will be 3 make-up device distribution days located at Crossroads III located at [111 Corning Rd. Cary](https://www.wcpss.net/111-Corning-Rd-Cary). Currently there are no hotspots for checkout. When they become available you will be notified.
 - Monday (9/28) 11 a.m. to 6 p.m.
 - Tuesday (9/29) 9 a.m. to 4 p.m.
 - Wednesday (9/30) 9 a.m. to 4 p.m.The Student Help Desk will be open at the distribution center. Students with a currently checked out Chromebook or hotspot may bring it to the distribution center to be repaired or replaced.
6. Thank you for your attention to these matters. Please stay well and enjoy your weekend.
