**WCPSS Family Survey** - Please consider taking this brief [survey](#), specific to our school. The insights, perspectives, and opinions of our families are truly important to us, and the feedback we receive will be used by administration and our School Improvement Team as we prioritize areas of focus and improvement for our school.

**Bus Riders Participating in Breakfast** - All students who arrive by bus will follow an exterior path to the cafeteria if they want to eat breakfast. Staff will supervise as students exit the bus and follow the sidewalk to the mini carpool loop, where students will enter the building near the cafeteria. This change will expedite students' arrival in the cafeteria so that they may enjoy breakfast and arrive promptly to class, decreasing lost learning time. We thank you for sharing this message with your student.

**EOG / EOC Retests** - This year, WCPSS is participating in an optional DPI Retest Opportunity for students who PASS a course but fail an End of Grade (EOG) or End of Course (EOC) test. Retests will be administered on Tuesday, June 14th and Wednesday, June 15th. Participating students will receive transportation, breakfast / lunch, and remediation sessions in addition to having an opportunity to retake an EOG or EOC. If you are interested in your student participating in this opportunity, please complete the following [form](#). More information can be found [here](#).

**Third Quarter Honor Roll Celebration** - On Friday, April 22nd, students earning all As or all As / Bs for third quarter report cards will be celebrated with an ice cream treat sponsored by our Oberlin PTA. We are grateful to our PTA for celebrating the academic achievements of our students.

**Broughton High School's Academy of Hospitality, Tourism, and Sports Marketing**, an optional four-year career development program, is accepting applications from incoming Broughton 9<sup>th</sup> graders through May 1. Our career academy program helps students explore college & career options through experiences like internships, job shadowing, guest speakers, networking, and career readiness workshops as well as through activities integrated into some of their courses. Academy students take one elective per year focused in hospitality, tourism, or sports marketing, culminating with an internship. More information about the academy is available at [BHScareeracademy.com](http://BHScareeracademy.com).

## Health and Safety Guidelines

**Lunch** - We will continue our current lunch plan with the majority of classes eating outside for lunch, weather permitting. (Please note, we follow an incimate weather plan for extreme heat, extreme cold, and /or precipitation where students eat inside.)

**Face Masks** - Masks are recommended but not required in schools and on school transportation for all staff, students, and visitors.

**Water Bottles** - We encourage students to continue to bring a refillable water bottle to school. We do provide students without a water bottle with a plastic cup. Providing these cups is expensive, and we would be grateful for any donations.
