Health and Safety Guidelines

Lunch - We will continue our current lunch plan with the majority of classes eating outside for lunch, weather permitting. (Please note, we follow an incimate weather plan for extreme heat, extreme cold, and /or precipitation where students eat inside.)

Face Masks - Masks are recommended but not required in schools and on school transportation for all staff, students, and visitors.

Water Bottles - We encourage students to continue to bring a refillable water bottle to school. We do provide students without a water bottle with a plastic cup. Providing these cups is expensive, and we would be grateful for any donations.
