**Early Check Out from School** - If your student needs to be checked out early from school, please note the following.

- Send a signed note with your child indicating the time for pick up. Have your child stop by the main office in the morning to receive a pass to leave class at the assigned time. Your child can then leave class and wait in the office for pick up.
- If the child is not picked up 15 minutes after the time indicated on the note, the child will be returned to class with respect to supervision and to participate in learning.
- Only parents / guardians or emergency contacts can pick up students. **Those picking up students must have photo identification ready for review.**
- We do not allow student pick up after 2:30 each day as we are shifting into dismissal procedures. After 2:30, families must participate in daily dismissal procedures.

## Health and Safety Guidelines

**Lunch** - We will continue our current lunch plan with the majority of classes eating outside for lunch, weather permitting. (Please note, we follow an incimate weather plan for extreme heat, extreme cold, and /or precipitation where students eat inside.)

**Face Masks** - **Beginning March 7, masks will be recommended but not required in schools for all staff, students, and visitors.** Additionally, beginning March 7, masks will be recommended but not required on morning and afternoon bus runs and on vendor transportation.

**Water Bottles** - We encourage students to continue to bring a refillable water bottle to school. We do provide students without a water bottle with a plastic cup. Providing these cups is expensive, and we would be grateful for any donations.
