Super thanks to our Oberlin community for ALL the support during our food service interruption. The amount of calls and emails offering donations of food and service is a true testament to this community's support of ALL students. Please know that we are beyond grateful to our community for your support!

Thanks Oberlin PTA for Celebrating our Honor Roll Students!

Dusty Donuts was a hit! Honor Roll students enjoyed fresh, warm donuts on this crisp fall day! We are grateful to our Oberlin PTA for allowing this celebration to be possible!

Upcoming Events

- Wednesday, November 24th - Friday, November 26th - Thanksgiving Holiday, No School

Principal Chat Resources from November 17th - At the following [link](#), please find resources from our Parent Chat provided by seventh grade counselor Ms. Rush. Please reach out to Ms. Rush (crush1@wcpss.net) with any questions. Super thanks to everyone who was able to join.

Credit by Demonstrated Mastery - Students may earn high school credit for specified courses without spending a set number of hours taking the course in a classroom. Under the state's Credit by Demonstrated Mastery (CDM) option, uniquely qualified students may "test out" or bypass a course if they have already mastered the content.

The program provides another opportunity for students to learn new content, to challenge themselves with the next level of rigor in a subject, and even graduate early. This option is not designed to replace existing accelerated pathways, such as the Academically and Intellectually Gifted (AIG) program at WCPSS.

Application Deadline (must be submitted at your child's school): December 17, 2021

Phase I Testing Window: February 15 - March 14, 2022. Email any questions to: cdmquestions@wcpss.net or mbvereen@wcpss.net

Health and Safety Guidelines

Lunch - In accordance with updated guidance from WCPSS, we shifted the majority of classes outside for lunch. Only two classes per lunch block remain in the cafeteria, and these students are seated with spacing to the extent possible, facing the same direction, and masks are only removed while students are actively eating or drinking.

Face Masks - All students and staff will wear face coverings while indoors at school. The requirement also applies to school buses and vendor transportation. *Correctly wearing face masks may prevent a student from having to quarantine if in contact with a student who is presumed positive for COVID.* Please stress the importance of correctly wearing face coverings with your student so that we can ensure safety and maintain students' in person participation at school.

Water Bottles - Water fountains will continue to be closed to help prevent the spread of COVID. Please send your student to school each day with a water bottle. We do provide students without a water bottle with a plastic cup. Providing these cups is expensive, and we would be grateful for any donations.
