Oberlin Magnet Middle School Food Service Update

Greetings Oberlin Magnet Middle School Families,

We want to share with you that, **today, our school was able to provide breakfast and lunch to all students who needed a school meal.**

With the update that food service would be a challenge today, our school has been tremendously grateful to our PTA and parent community for the many generous offers of support. Thanks to each of you for your calls, texts, donations, and willingness to do whatever is needed to support ALL Oberlin students.

We are optimistic that food service will be back to normal tomorrow, however, we are reaching out to our community for support with food so that we can be ready, just in case. **Like today, we strongly encourage your child to bring food to school tomorrow, if possible.**

As a school, we are preparing for two types of meals. The first type of meal is a “grab and go” style in which students will pick a protein, fruit, cracker, and a beverage. The second type of meal that we are considering is a catered pizza lunch with one slice of pizza per student, a fruit, crackers, and a beverage. If you are able to help with any of the following needs, we would be most grateful. Donations can be delivered to the main office (2816 Oberlin Road) or dropped off

by students / parents. Please alert staff to items needing to be refrigerated so that they can be stored properly.

Grab and Go

- Prepackaged dry cereals
- Prepackaged cheese sticks (most needed item)
- Prepacked go gurts
- Prepackaged individual yogurts (most needed item)
- Prepackaged fruit cups
- Prepackaged apple sauce / fruit purees
- Whole fruit (banana, apples, oranges)
- Small water bottles (8oz) (most needed item)
- Prepackaged Uncrustable Sandwiches (most needed item)
- Prepackaged pretzels / crackers (not free if possible)

Pizza Lunch

- Oberlin PTA is collecting donations for a pizza lunch through [this Memberhub Link](#). If ordered pizza is not needed due to the food service shortage, collected donations will be used for future PBiS catered celebrations.

Oberlin Magnet Middle School and Oberlin PTA Joint Communication

In an effort to best ensure communication to ALL families, this message is being disseminated by the school through School Messenger and by the PTA through Memberhub. We will avoid duplicate messaging in the future, but felt it was important for this message.
