

April 26, 2022

Dear Rogers Lane Families,

Due to several changes recently in my life regarding my family, I am going to have to retire as Principal at Rogers Lane. I did not plan for these changes but need to support my family with their needs. I have been employed by Wake County for 31 years, so this is a difficult change for me. I will be here until June 30, 2022; and will do the best that I can to support parents, staff, and students.

Dr. Savage, Area Superintendent, will hold an intake meeting on May 17<sup>th</sup> for parents. This information is below.

If you have any questions, please feel free to see me. I have very much enjoyed working with all of you this year and appreciate the support you have given me. I appreciate the work you put into making your children successful in their academic and emotional growth.

Dr. Mark Savage, Area Superintendent, will lead a team to secure the next principal for Rogers Lane Elementary School. Your input as to that selection process is critical. Please take a moment to offer your thoughts through our confidential survey which will be used to build the profile of your next principal as well as to shape interview questions. In addition, you can reach out to Dr. Savage directly at [msavage@wcpss.net](mailto:msavage@wcpss.net) with additional input.
