

Rogers Lane Elementary School PTA

Welcome, Welcome, Welcome to the 2019-2020 PTA Family!

We are elated that you have decided to join this community of parents, teachers and school administrators ready to make a huge impact on our future generation. The support of our parents and staff is extremely essential to an effective school year. This year our goal is to educate our youth on how to be confident in who they are, while creating an environment conducive for maximum learning potential. We want to provide opportunities that foster independence and creativity, while showing them the importance of a quality education. We believe that if we as a PTA family do our part, then we can offer resources to help beyond the classroom. We look forward to working with each of you and forming healthy lasting relationships to help our school thrive.

Let's talk about ways you can support our PTA Family and School:

- **Membership Opportunities:** Join us! Only a \$5.00 investment gives you direct access to a group of individuals whose sole purpose is to improve the learning environment, offer resources to families both financial, academic and social. Let's change the culture together, impacting one family at a time!
 - **Committees:** There are a few key committees that the PTA will be forming within the next 2 months. If you have leadership ability and do not mind serving the school and families in this capacity, please let us know. We are in need of the following committees: Audit Committee, Nomination Committee and the Advocacy Committee. Please see any of the 2019-2020 Officers for more information.
 - **Volunteering:** You may not have the capacity to be a part of the daily functioning team, but you don't mind assisting at an event or two. There will be volunteer opportunities throughout the school year. We have some fun and exciting things planned, as well as opportunities for educational and personal development. Yes, even personal development is important at this age. Be sure to keep your eyes and ears open for those chances in the near future.
 - **Donations:** If you don't have time and you would rather make a monetary donation that is okay to. All donations are tax deductible and we can provide you with a receipt for tax purposes. We thank you in advance for all your financial contributions to make this year a success.

Meet Your PTA Board Family

*Ebony Bailey, President
Layvette Martinez, Vice President
MaDonna Lampley, Secretary
Casey Cooper, Treasurer*

We are happy to serve the students, families and Staff of Rogers Lane Elementary, with pride and excellence. Why do it alone when we can join forces and do it together? Together Is Better; let's make it a great year!
