7th Grade Supply Lists

2020-2021

Directions: Below are the 7th grade supply lists that teachers have developed based on curriculum standards, planned activities, projects and assignments. While these lists may not be all inclusive, they will provide each student with the foundational resources for the upcoming school year. The items listed under “common items” are those that are required for each content area so please make sure you purchase enough for each core class.
