

There's a new, simpler process to request a change in your child's school assignment!

We offer parents two opportunities to apply to change their school assignment. For more information about these opportunities, visit www.wcpss.net/assignment or call (919) 431-7333.

1.

MAGNET/YEAR-ROUND APPLICATION

Application Period: Jan. 10 – 31, 2018

Families will have the opportunity to apply to any magnet and year-round school options available to their address during this application period. View your options at www.wcpss.net/address. Families will be notified of results on Feb. 14.

2.

SCHOOL TRANSFER REQUEST

Request Period: Feb. 20 – Mar. 6, 2018

Families will have the opportunity to request any school on any calendar during this request period. This is also the period where eligible families who were re-assigned can grandfather to stay at their current school. Families will be notified of results starting on March 6.

Wondering which application period you should use?

INTERESTED IN A MAGNET SCHOOL?

All students can apply to any Magnet school options available to their address during the **MAGNET/YEAR-ROUND APPLICATION** period.

INTERESTED IN A YEAR-ROUND SCHOOL?

All students whose base school is on a traditional calendar can apply to the year-round school options available to their address during the **MAGNET/YEAR-ROUND APPLICATION** period.

If you're already on a year-round calendar or if you want to request a different year-round school, you can make your request during the **SCHOOL TRANSFER REQUEST** period.

INTERESTED IN A TRADITIONAL SCHOOL?

Students who attend a year-round or modified-calendar school and wish to attend a traditional-calendar school should apply during the **SCHOOL TRANSFER REQUEST** period.

INTERESTED IN YOUR BASE SCHOOL?

Students who attend a school other than their base school and want to attend their base school should apply during the **SCHOOL TRANSFER REQUEST** period.

IMPACTED BY REASSIGNMENT?

Families who were reassigned to a different school as part of the 2018-19 Student Enrollment Plan may be eligible to grandfather and stay at their current school. They must make this request during the **SCHOOL TRANSFER REQUEST** period. The following are eligible to grandfather:

- Reassigned students rising to grades 5 and 8 and their siblings.
- High school students reassigned to an existing school and their siblings
- Younger siblings of rising juniors and seniors who were reassigned to South Garner High but who will attend Garner High.

If you aren't eligible to grandfather, you may apply for another school during the **MAGNET/YEAR-ROUND APPLICATION** period and/or request a hardship transfer during the **SCHOOL TRANSFER REQUEST** period.

DO YOU HAVE A RARE SITUATION THAT DOESN'T FIT INTO THE SCENARIOS ABOVE?

Families that don't meet any of the above scenarios may request a hardship transfer during the **SCHOOL TRANSFER REQUEST** period. These transfers are considered only in rare and exceptional circumstances.
