

Combs Carpool Procedures

- Have your carpool number displayed in your front window.
- During dismissal, a staff member walks the carpool line and enters each number, ***in order of where you are in line***, into the carpool app. This is the order of how students are called from their classroom. If you skip in line, your number will not be entered, and your student will not be ready. This slows down the process significantly.
- ***Always go to the end of the carpool line. No exceptions.*** Do not pull in front of people in line who are leaving space for neighborhood driveways and streets.
- Enter and exit the carpool lane by turning RIGHT into/out of Combs. There should be no left turns when entering or exiting Combs carpool.
- If you live within walking distance from Combs, you can apply for a Walker tag. Do not park on the street and walk up with your child without a Walker tag.
- When in the carpool line, please be courteous to our neighbors; do not block driveways or streets.
