9th Grade Course Selection Worksheet

Directions (Read First):

First, check off 1 box from each area (English, Social Studies, Science, Health and PE, and Math). Next, add up how many courses you have selected on the first page. Some boxes include more than one course. Example: Foundations of Math 1 & Math 1 are two courses. On the second page, for your remaining courses, choose electives from any of the areas. You should select 8 courses total including both your core subject area courses and electives. Lastly, choose 4 alternate electives. All alternate electives **must** be different from your primary course selections!
