Apex Friendship High School

Registration Directions:

1. Make sure you have your Powerschool log in information. If you do not, visit Ms. Maxwell in Student Services.

2. Log into Powerschool and view your recommendations.
   - Select "Class Registration"
   - Select the Pencil to the right of the subject area
   - Your recommended course will be noted under alerts

3. Use the worksheet on the back of this form to plan your courses for next year.
   - For course descriptions visit the Wake County Program planning guide: https://bit.ly/2ViLEiH
   - Use the Registration guide https://bit.ly/2TcrsfK to make sure you have prerequisites, corequisites, and other requirements for courses. If you are unsure if you have taken a prerequisite, check your transcript.
     - Prerequisites- Courses you must take before you take another course
     - Corequisite- Courses that you must take during the same school year as another course.

4. Enter course selections into Powerschool. Use the step by step guide provided.
   - You must enter 8 primary courses and 4 alternates
   - Alternates must be different from your primary courses. If you choose alternates that are the same as a primary selection, you will be forced to change it later.
   - Only choose alternates you are willing to take

5. Turn in any required documents, if needed, to Student Services. All forms are available on the student services website. https://www.wcpss.net/Page/36548
