Middle school grades do not factor into your GPA, but they do count towards your overall graduation requirements.

#### PC19 Grades

PC19 grades do not receive any quality points and do not factor into your GPA to raise or lower it, but courses with a grade of PC19 do count towards your graduation requirements.

Grade Point Average (GPA): Your GPA is the sum of all the quality points earned divided by the total number of attempted credits.

$$\text{GPA} = \frac{68.500 + 16}{4.2813} = \frac{64.000 + 16}{4.000}$$
