

# [Single Subject Acceleration \(SSA\)](#)

It's time for our 2022-2023 Single Subject Acceleration Test Requests!

**What is Single Subject Acceleration?** This is an opportunity for students meeting qualifying criteria in grades K-7 to take advanced academic content in mathematics or English Language Arts. SSA ensures opportunities for appropriate levels of academic challenge by allowing students to be accelerated to the next grade level in one subject (ELA or Math). Parents must request testing and these students will be administered an assessment that will determine if they qualify. Any student currently enrolled and attending a WCPSS school during the open request and testing windows are eligible. Parents may request testing during the open request windows for their specific tracks. Please visit the links below for more detailed information. If you have questions, please feel free to reach out to our AIG teacher, Mrs. Plott. Her email is [tplott@wcpss.net](mailto:tplott@wcpss.net).

**The dates for requesting SSA testing based on your child's track are below.**

**Track 1:**

February 20 - February 24, 2023

**Tracks 2, 3 and 4:**

March 20 - March 24, 2023.

**The dates that testing will take place are below.**

**Track 1, 2, and 3:**

April 4th - April 19, 2023

**Track 4:**

April 18 - May 3, 2023

Please follow the links below for more information.
