## Summer School Procedures

**Course Description: GradPoint** is a program that allows students to progress through the prescribed curriculum at different paces. Students will take pre-assessments and be prescribed lessons according to their pre-assessments results. At the end of each module, each student will take a post-assessment. Students that achieve 60% or higher on the post assessment will be moved to the next module. In GradPoint, each student is allowed to take each post assessment up to three times. If a student does not achieve a 60% or higher after 3 attempts, **the highest post assessment score will be used**, and the student will move to the next module. Students not completing any assigned module by the end of summer school will receive a failing score to be average in with their final grade.

### Attendance:

- On your 3<sup>rd</sup> absence you will be dropped from the summer school roster
- 3 tardies equals 1 absence
- 10 to 30 minutes late equals ½ absence for that day
- Over 30 minutes late equals an absence for that day

### Supplies:

- Pen, paper, pencil for note taking, calculator for math & science classes

### Class Expectations:

- Students are to be only on websites that will assist students in their GradPoint lessons.
- Students are to enter quietly and go to assigned computer.
- Students need to be respectful of their fellow students by working quietly.
- Students are not to be roaming the school building at any time.
- Students must exit the building upon the conclusion of their assigned section.
- If you will be driving to Summer School please park in the designated parking lot, which is located at the front of the building at the main entrance.

### Grading:

- Student's grade will be calculated by post assessments scores, assessment, and final exam.
- Any unfinished assigned work will receive a failing grade.
- **Students will receive a P (Pass) or F (Fail) as their final grade. Summer School grades will not be factored into the student's GPA.**

### Consequences:

- Students not meeting class expectations & disrupting the learning environment will be asked to leave for the day.
- If there is a 2<sup>nd</sup> offense at any time during Summer School, it will be recommended that the student is dropped from Summer School and registered to repeat the course during the upcoming year.
