

Updated District Guidelines on Covid

Please keep your child(ren) home if they are exhibiting any of the following:

Instructed to quarantine

Fever or chills
Cough
Shortness of breath or difficulty breathing
Fatigue
Muscle or body aches
Headache
New loss of taste or smell
Sore throat
Congestion - Runny nose*
Nausea or Vomiting
Diarrhea

When students can return to school

Students who are not feeling well but do not have one of the COVID-19 symptoms listed above may return to school if they are fever free for 24-hrs without the use of fever reducing medication AND symptoms have improved. The health care provider is not required to detail the specifics of an alternate diagnosis.

MAKO Medical COVID-19 Pool testing:

If you would like to register your student(s) to participate in the weekly, on-campus COVID-19 testing, register at: [Yates Mill Elementary COVID-19 Testing Registration](#)

View [WhenToReturn](#) for requirements to return after a COVID-19 diagnosis, exposure, or symptoms.

Who to contact with questions:

Please reach out to Kara Miller, our COVID-19 Support staff member with any COVID related questions

Birthday Treats & Snacks

All food sent in should be both **store-bought AND individually wrapped**. This is in accordance with the "Strongly Recommended" Eating and Drinking Guidance from the county. We will be unable to accept any birthday treats or snack donations that don't meet both criteria.

*If a runny nose is due to allergies, for your child to stay on campus, you must have some diagnosis stating that the specific symptoms are not COVID related. The symptoms are due to a known allergy that is being currently being treated.
