

Hello Yates Mill Families,

This is Mrs. Jenkins and Mr. Vazquez with a few announcements for you. This message is will be in English and there will a second call this evening in Spanish.

As you are well aware, every school in our district is building a completely new, uniquely designed instructional approach for the 2020-21 school year. It has been challenging yet rewarding and we want to take a moment to express our sincere appreciation for your support.

Here are a few updates and reminders for your convenience and planning efforts:

This year, students will be assigned to a homeroom teacher as usual. However, we are communicating early and often that your child may also be taught by other members of the grade level team. For that reason, we are hosting "Meet the Team" instead of "Meet the Teacher" this year. We will share more information next week at our virtual "Meet the Team" events. You will meet your child's teacher and team during either next Thursday or next Friday and these dates will be posted on our website.

Thursday, August 13:

PreK and K: 1p-2p

1st grade: 2p-3p

2nd grade: 3p-4p

Friday, August 14:

3rd Grade: 1p-2p

4th Grade: 2p-3p

5th Grade: 3p-4p

Again, these meetings are virtual. Google Meet invitations will be communicated to you. If you cannot attend virtually, portions will be recorded so you will receive all pertinent information.

School supply lists can be found on the school's website. At the top of the page, you will see a list of items that we are providing. PreK students will receive a different list once we know more from the district.

Thank you and have a great night!
