

Good afternoon Yates Mill Families and Happy Friday!

This is Ms. Jenkins with a few announcements.

We have come to the end of two weeks of instruction at Yates Mill and as indicated, we'd love to hear from you. On Monday, September 14th, we'll be sending out a 2 question survey and we can't wait to hear what you think is going well so far and also areas we may need to improve upon. There will be a space for you to provide ideas and suggestions.

Also families, this Monday, we will begin our YMES family fitness challenge... Exercising "from sea to shining sea!" In your child's Physical Education google classroom (under CLASSWORK) you will find the presentation AND google form to send in your family's weekly total exercise hours. We are competing by grade level to see which group will "exercise" from the Atlantic Ocean to the Pacific Ocean! Please send Mrs. Parker an email if you have any questions! If you haven't joined Twitter to follow our school, this is the perfect time to do it!

On September 23rd and 24th we will hold another Student Materials Distribution event as we have additional resources to send home.

| Date                     | Time                |
|--------------------------|---------------------|
| Wednesday September 23rd | 7am-9am<br>11am-1pm |
| Thursday September 24th  | 2pm-5pm             |

This information is also on website and of course teachers will remind you as well.

Thank you and have a wonderful weekend!
