Dear East Wake Magnet High School Students and Families,

It is with great honor and enthusiasm that I step into the role of acting principal at East Wake Magnet High School. I recognize that transitions like this can bring mixed emotions, but I want to assure you that my focus remains on ensuring stability, progress, and success for every member of our school community. Together, we will build on the strong foundation already in place and strive for even greater achievements.

The start of the second semester is a unique opportunity—a chance to set new goals, embrace fresh opportunities, and begin a new chapter of growth and success. For our students, this is the perfect time to renew your commitment to excellence, challenge yourselves academically, and demonstrate pride in all you do. To our parents and guardians, I thank you for your continued partnership and support. Your involvement is vital to the success of your child and our school as a whole.

At East Wake Magnet High School, we believe in fostering a learning environment that encourages respect, responsibility, and resilience. I am committed to maintaining a safe, inclusive, and supportive space where every student can thrive, pursue their passions, and achieve their goals.

My vision for East Wake Magnet High School is clear: to cultivate a culture of excellence and pride where every student is empowered to succeed. I will work tirelessly with our talented staff, dedicated families, and remarkable students to ensure that East Wake continues to be a school our community can be proud of.

As we move forward together, I encourage you to embrace the Warrior spirit—stay proactive, respectful, and disciplined in your pursuits. Let's make this semester a time of growth, achievement, and unity.

I look forward to meeting many of you in the coming weeks. Together, we can make this an outstanding semester and continue to elevate the legacy of East Wake Magnet High School.

Thank you for your support and trust. Let's make this journey a remarkable one!
