## Before School – Where to go?

When students arrive on campus, they must report to the cafeteria, media center, or school courtyard (main gym on rainy days – seated in bleachers).

## Cafeteria Guidelines

While eating breakfast or lunch, students must stay in the cafeteria and remain seated. **No food should be in any academic areas.** Restaurants are not allowed to deliver food to the school.

## Late Arrival, Early Dismissal & Tardy Policy

Students who arrive to school after 7:35 a.m. must report directly to the Attendance office located down the hall from the Main office to receive a pass to class. All students will check out from the attendance office. Staff will sweep students into class each period daily. All student tardies will be documented for the frequency and school consequences will be issued after the third tardy. Students begin each quarter with zero tardies. Parents can contact the Attendance office at 919-365-2625.

## Electronic Devices

During the academic day (7:20 AM – 2:18 PM) listening devices, speakers, and/or other electronics should not be used, seen or heard while in an academic setting such as classrooms, field trips, instruction outside, etc. Headphones are prohibited at all times except during lunch **only**. **During class time, cell phones should only be used for instructional purposes as directed by a staff member and follow the BYOD policy which is on the school website.** If at any time a student needs to make a call during the school day, the designated school phone will be used. The expectation is that the social contract will be followed and consequences will be in alignment with the school culture plan.
