## Our Goals for Student Achievement

### What does it mean to be a Title I school?

The emphasis in a Title I school is on serving all students. School-wide programs maximize the impact of Title I funding in that all students in the school are served as funds are used to improve the entire educational program.

### What is a family-school compact?

A family-school compact is an agreement between parents, students and teachers. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

### School Goal

By June 2019, 70% of students will demonstrate proficiency as measured by EOGs, and students will meet or exceed growth as measured by EVAAS.
