Understanding Title I

*A Federal Funding Source
that Promotes Equity and
Supports Student Learning*

What is Title I?

- Federal Funding that is attached to the Every Student Succeeds Act (ESSA), formerly known as No Child Left Behind (NCLB).
- Funds are allocated based on the number of students eligible for free or reduced lunch in school.
- Funds are intended to help students and schools access needed resources for quality instruction.
- Funds can be used for:
 - Teachers
 - Purchasing Materials/Supplies
 - Family Engagement
 - Professional Learning

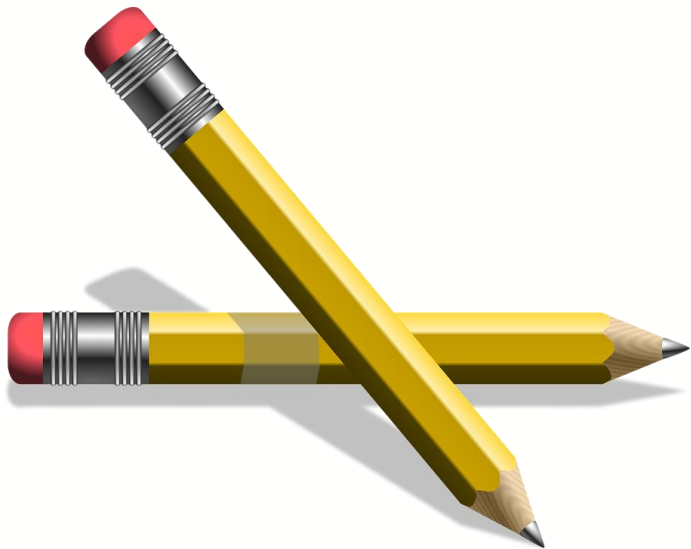

How this looks in the Wake County Public School System...

- Elementary Schools **45%+**
- Secondary Schools **50%+**
 - at this percentage or higher of students qualifying for free or reduced lunch receive Title I funding.

61 Schools in WCPSS receive Title I funding in the 2019-20 school year.

Schoolwide programs allow these funds to benefit **all** students in the school.

Family Engagement is an Important Part of Title I...

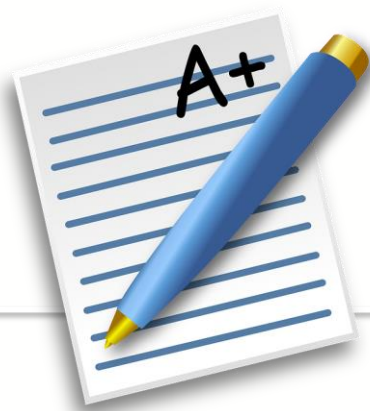

Our school wants to:

- **Partner** with families to promote success for all students.

1% of our school's Title I funding is dedicated to Family Engagement. Please **review** and **give feedback** on our Family Engagement Policy to **understand** and help us **decide** how to use this funding.

Parents Have the Right to Know...

- Their child's classroom teacher's qualifications. Make this request through the Principal.
- If a classroom is taught by a non-certified substitute for 4 weeks or more.
- That their child attends a school that receives Title I funding and operates a schoolwide model.
- How their child's school is performing via the School's Report Card. (*November or December dissemination.*)

Partner with us for Student Success...

Ways to know if your child is meeting grade level standards:

- Communicate with your child's teacher often.
- Read all reports about your child's performance that are sent home.
- Don't hesitate to ask questions!

How you can help at home:

- Make sure homework is completed.
- Read, write, and talk with your child everyday.
- Find ways to apply learning in daily experiences.

THANK YOU for your time!

We look forward to working with you this year!
