STUDENT ANNOUNCEMENTS [GENERAL]

Distinct Youth will hold tryouts for its annual Signature Modeling Troupe Fashion Show after the holidays. The New dates for tryouts are January 8, 9 and 10. See Ms. Closs in Room 2310 for more information.

The WELL's Wishing WELL Donation Drive runs from 12/3-12/20. Donations will go to 3 of the residents affected by the fire at Glenwood Towers. Students may receive 3 hours for gift cards, 3 hours for bed sheets donated, and 1 hour each for the remaining items.

The Guidance Resource Center [Room 1209] now has a copy of the 2019 *Summer Discovery Catalog* listing pre-college enrichment, academic, and Internship Programs at the following universities: UCLA Anderson School of Management, UC Santa Barbara, University of Colorado Boulder, University of Texas at Austin, University of Michigan, University of Miami, Georgetown University, Johns Hopkins University, University of Pennsylvania, Pace University NYC, Emerson College Boston, Cambridge University, City University London, and Yale-NUS College Singapore.

STUDENT ANNOUNCEMENTS [JUNIORS & SENIORS]

Seniors who are applying to colleges with early January deadlines: Make sure you have spoken to your counselor by Friday, December 14 about any forms or recommendations needed.

The University of Georgia is accepting applicants to their VetCAMP2019 which is scheduled for June 16-22, 2019. The program is offered to rising high school juniors and seniors and rising college freshmen to evaluate their skills and competitiveness as future veterinarians, provide mentorship and help them experience veterinary medicine as an exciting career path. The application is available online at <http://vet.uga.edu/academic/vetcamp>. The cost of attending the program is \$900 and covers lodging, meals, instruction and social activities.

The Alexander Family YMCA is looking for volunteers to serve as an Access Desk Assistant, the first contact members have when they visit the YMCA. Volunteers welcome members as they scan their card to access the facility, choose a locker and receive a towel. If interested, visit <https://ymcatriangle.volunteermatters.org/project-catalog/61> to create a volunteer account. Once the account is set up, applicants will be contacted to schedule time for an interview.

Save the date for Broughton's 2nd Annual [Play4Kay](#) game on Thursday, January 17, 2019! Raising funds for the Kay Yow Cancer Fund, this year's event has expanded to include both games (varsity women at 5 PM and varsity men at 6:30 PM), more raffle prizes, a silent auction, an online fundraising site, cancer survivor recognition during both halftimes, and more! The Sports & Entertainment Marketing 2 classes are working hard on this special event as an honors class project (and gaining practical marketing experience in the process) with the goal of doubling last year's donation of \$1,111.

Per NCHSAA regulations, we don't receive any money from ticket sales, so we will be selling raffle tickets along with special event t-shirts and wristbands (both designed by SEM2 students) in addition to the sponsorships and online donations that we receive. Please visit <https://sites.google.com/students.wcpss.net/broughtonplay4kay/> (and share it with your friends) to make a donation, find out more about sponsorship opportunities, or to be recognized at the game as a cancer survivor. If you know of a potential sponsor (can be via direct financial contribution or in the form of items to be raffled or auctioned) that our students should contact, please email mpatterson2@wcpss.net

Are you a 10th or 11th grader interested in engineering? Would you like to earn FREE COLLEGE credit and a PAYCHECK? Interested students should sign-up for the North Carolina Triangle Apprenticeship Program (NCTAP) information session. The information session will be held on Wednesday, December 19 during Advisory in the small gym lobby. **Students should sign-up for the information session by visiting the following link: www.tinyurl.com/NCTAPinfo.** More information about the NCTAP program can be found at NCTAP.org.

Calling all current 11th Graders!

If you are interested in pursuing an internship for your senior year, please plan to attend a **REQUIRED [Internship Interest Meeting](#)** during the month of January in Advisory class.

- Did you know you can leave campus and go to work during the school day for HONORS course credit?
- CTE Internship is a year long course that allows 12th grade students to take an active working role in a local business or organization for HONORS credit.
- An internship looks great on a college application and on a resume!

While an internship is only available for 12th graders, students must apply for acceptance into the Broughton Internship Program during their 11th grade year. (Students who do not attend an interest meeting during January will NOT be eligible to register for an internship during their senior year. No exceptions.)

Students should register for the Internship Interest Meeting by going to: tinyurl.com/bhsinternship
