PARENT ANNOUNCEMENTS

Broughton parents, do you have any questions about our school that you would like an honest answer to? Would you like to hear from the perspective of an honest student and have the chance to be featured in our school newspaper, the Hi-Times? If so, ask any questions that you have about Broughton, school life, or any topic surrounding school that is appropriate for students to answer on our Google Survey. The link is <https://goo.gl/forms/DRT0S4Qns7QVkgV62>. Your questions will be answered honestly by the Hi-Times newspaper staff. Carter Mills, Hi-Times Staff Member

To sign up for general PTSA communications [information for all BHS families], visit <http://broughtonptsa.weebly.com/communications.html>.

STUDENT ANNOUNCEMENTS [GENERAL]

Community Service Opportunity: Holiday Express has become a City of Raleigh tradition for the past 10 seasons. During the event, Pullen Park is transformed into a winter wonderland where guests can experience activities such as a sledding hill, the Crafty Elves tent, a meet and greet with Santa and Mrs. Claus, Kris Kringle's Carnival and more! This experience would not be complete without volunteers from the community helping to deliver that holiday spirit and cheer. Holiday Express is predominantly an outdoor event and you may be working in the cold, snow or possibly light rain. Please dress in layers so that you can change accordingly if your location is moved. This event will have a lot of lights and crowd activity so there is the possibility it could be loud and busy. Restrooms are on site. 15 is the minimum age requirement for volunteers. If you are volunteering, you are required to stay for the entire shift. There is a required training for all volunteers at the Pullen Community Center on 12/3 from 6:00-8:30. This opportunity is not to be used towards court appointed or suggested community service hours. If interested, visit

STUDENT ANNOUNCEMENTS [JUNIORS & SENIORS]

SUMMER ENRICHMENT OPPORTUNITY

The Martha Guy Summer Institute for Future Business Leaders at Appalachian State University [Program dates: July 7-July 27, 2019] offers a unique opportunity for current high school JUNIORS to gain an immeasurable amount of business knowledge and experience. Twenty-four [24] students who have a sincere interest in business as a college major will be selected to participate in the 16th cohort that will include two weeks of classroom instruction, an entrepreneurial project, outdoor courses, and local activities. The program concludes with a week of travel to various business and cultural sites, including visiting Washington, DC and New York City. The application deadline is February 28, 2019. Visit: www.marthaguy.appstate.edu for details and information.

SOPHOMORES & JUNIORS: SUMMER VENTURES IN SCIENCE AND MATHEMATICS [SVSM] provides an opportunity for rising 11th & 12th graders to foster identified interests in science and mathematics with its enriched program in a university research setting [ASU, ECU, UNC-Charlotte, UNC-Wilmington]. SVSM is

competitive entry by application only. Selected students participate in a rigorous, four-week summer academic program intended to reward and stimulate students who have already demonstrated their commitment to academic growth and development in science and mathematics. SVSM is a state-supported initiative and there is no program costs for participants. Applications are to be completed online and can be accessed from the website at www.summerventures.org. As part of the application process, applicants must secure evaluations from a science or math teacher and his or her current guidance counselor. It is the responsibility of the applicants to ask their teacher and counselor to complete an evaluation on their behalf. The completion deadline for student portion of the application is January 15, 2019.

The N.C. Teaching Fellows program has been re-established to attract talented students to teach STEM and special education in North Carolina's public schools and NC State University was selected as one of the program sites. Seniors who are considering a major in education can receive \$33,000 in forgivable loans [\$8,250 per year for up to four years] if they are willing to commit to teach in STEM or special education in North Carolina public school. NCSU offers the following majors that qualify for the N. CI Teaching Fellows Program:

Agricultural Education (Grades 6-12)

- Elementary Education with Special Education Dual Licensure (Grades K-12)**
- Mathematics Education (Grades 6-9 or 9-12)
- Science Education (Grades 6-9 or 9-12)
- Technology, Engineering, & Design Education (Grades 6-12)

For more information and to meet with the NCSU Coordinator, see Mr. Rudder in the Guidance Resource Center, Room 1209.

SENIORS & Juniors may sign up to meet with college and military representatives who visit Broughton throughout the year. Sign-up sheets are posted in a notebook in the Guidance Resource Center [Room 1209]. Teachers must give permission for students to attend these meetings. See Mr. Rudder in the Guidance Resource Center if you have questions.
