### Calling all current 11th Graders!

If you are interested in pursuing an internship for your senior year, please plan to attend an [Internship Interest Meeting](#) during the month of January in Advisory class.

- Did you know you can leave campus and go to work during the school day for HONORS course credit?
- CTE Internship is a year long course that allows 12th grade students to take an active working role in a local business or organization for HONORS credit.
- An internship looks great on a college application and on a resume!

While an internship is only available for 12th graders, students must apply for acceptance into the Broughton Internship Program during their 11th grade year. (Students who do not attend a Pre-Internship meeting will NOT be eligible to enroll in an internship during their senior year.)

Students should register for the Internship Interest Meeting by going to: [tinyurl.com/bhsinternship](https://tinyurl.com/bhsinternship)

Female 11<sup>th</sup> Graders who are currently in leadership positions or who aspire to assume leadership positions in their senior year: The Meredith College Office of Student Leadership & Service, in collaboration with the Office of Admissions, invites you to participate in a free conference for high school juniors designed to develop and sharpen leadership skills. Whether you're already a student government officer, a team captain, or interested in becoming a leader, this conference can help you become a more effective and collaborative leader. The conference is scheduled for Saturday, February 2, 2019 from 9:15am – 3:15pm. For more information and to register visit <https://recruit.meredith.edu/register/LC>.

Save the date for Broughton's 2nd Annual [Play4Kay](#) game on Thursday, January 17, 2019! Raising funds for the Kay Yow Cancer Fund, this year's event has expanded to include both games (varsity women at 5 PM and varsity men at 6:30 PM), more raffle prizes, a silent auction, an online fundraising site, cancer survivor recognition during both halftimes, and more! The Sports & Entertainment Marketing 2 classes are working hard on this special event as an honors class project (and gaining practical marketing experience in the process) with the goal of doubling last year's donation of \$1,111.

Per NCHSAA regulations, we don't receive any money from ticket sales, so we will be selling raffle tickets along with special event t-shirts and wristbands (both designed by SEM2 students) in addition to the sponsorships and online donations that we receive. Please visit <https://sites.google.com/students.wcpss.net/broughtonplay4kay/> (and share it with your friends) to make a donation, find out more about sponsorship opportunities, or to be recognized at the game as a cancer survivor. If you know of a potential sponsor (can be via direct financial contribution or in the form of items to be raffled or auctioned) that our students should contact, please email [mpatterson2@wcpss.net](mailto:mpatterson2@wcpss.net)
