We are 60% to our goal! Visit this link [HERE](#) for more details!

Counselors will be meeting with students during the month of February to advise them on course registration for the 2022-23 school year. Teachers will be making recommendations this month and sharing a presentation with their English classes regarding registration prior to counselors coming to advise students one on one. Course registration on PowerSchool will open for students on Feb. 28 and remain open for students to select their courses until March 14th. All registration information, including a course listing and course description guide, can be found on the [BHS Registration Homepage](#).

There will be a Rising 10th-12th Registration Information Session for parents at 6pm on Thursday, Feb. 17th. This session will be held virtually and parents can join at the following link: <https://meet.google.com/fiw-qnka-itg?authuser=0>. Parents/Students are encouraged to watch the video presentation for their corresponding class on the [BHS Registration Homepage](#) before attending the session.

Senior Ads for the Yearbook - If you want to purchase a Senior Ad or know someone who might, let them know to do so before February 10. February 10th will be the last day for Senior Ads to be purchased so do so as soon as possible.

Men's Golf Interest Meeting - February 7 at 5:30 PM in the Holliday Gym Lobby. Parents and athletes are asked to attend.

GLOBAL POINTS OF PROGRESS - Bangladesh: Bangladesh has dramatically reduced its cyclone-related deaths, and could serve as a model for other nations facing extreme weather events. Since 1970, when Cyclone Bhola killed 300,000 to 600,000 people, Bangladesh has lowered storm fatalities by a hundredfold while the frequency of destructive cyclones has increased. Today, the South Asian country has improved meteorological capacities and developed a more sophisticated early warning system.

STUDENT ANNOUNCEMENTS [GENERAL]

Spring Sports start February 14. All information concerning eligibility, completion of forms and specific sport times and locations can be found on www.broughtonathletics.com.

Sophomores and Juniors: Please join the College Counselors during lunch on either February 10th or 11th for a presentation regarding the SAT/ACT. We will go over the two tests, the best timing, and any questions that you may have. We will meet in the Media Center-WEST.

Students considering veterinary medicine as a possible career: A group of VetPAC interns enrolled in the vet school at NCSU will be at Broughton to speak with students on Wednesday, February 23. If interested in meeting with these interns, sign up in the book outside the Guidance Resource Center [Room 1209].

ALL 2022 SPRING CLASSES ARE FULL at BROUGHTON HIGH SCHOOL.

Check JORDANDRIVING.COM around the first of April for Summer driver education information.

STUDENT ANNOUNCEMENTS [JUNIORS & SENIORS]

New Lunch Passes with Photographs are now available in Student Services. The Lunch Passes are a yellow/green color. Please go by and pick your new pass up between now and February 11th. Beginning February 14th the old passes will no longer be used. Should you misplace this new lunch pass, you will be charged \$10.00 for a new one. Passes will be available prior to school, during lunch and after school.

WCAP will hold auditions for next year's on-screen news anchors on Thursday, February 17th. You can audition that day during either lunch or after school in WCAP's studio in the Media Center. No experience is necessary, but public speaking skills are a plus. You must be a rising junior or senior and be able to register for the WCAP 1st period class. See Mr. Martin in the Media Center (mmartin3@wcpss.net) with questions.

Juniors interested in Swarthmore College [PA]: Broughton has been asked to nominate current Juniors for their [Discover Swarthmore \(DS\) fly-in program](#), an all-expenses-paid visit to one of the best [liberal arts](#) and [engineering](#) colleges in the country. Prospective students get a taste of the college experience by meeting current students and professors, eating in our dining hall, and spending a few nights in our residence halls with student hosts. They also gain valuable information about college admissions and financial aid from our staff of experts. The Discover Swarthmore selection committee prioritizes applications from students who are:

- Underrepresented students in higher education (Black, Asian American, Pacific Islander, Hispanic/Latinx, Middle Eastern and North African, Native Hawaiian, and Native and Indigenous American)
 - First generation in their family to attend college
 - Low-income students (Pell-eligible, free/reduced lunch, etc.), and students who might not otherwise be able to afford a trip to campus
 - [Undocumented and DACA-eligible students](#)
- If interested, see Mr. Rudder in the Guidance Resource Center [Room 1209].

Seniors interested in Emory & Henry College [Virginia]: [RSVP for Spring 2022 admission event and scholarship dates:](#)

SUMMER OPPORTUNITIES

If you're looking for a way to help your college-bound high school students make important decisions about life after high school, encourage them to join us at Rochester Institute of Technology this summer for [Explore Your Future!](#) EYF is a week-long,

on-campus summer program for college-bound deaf and hard-of-hearing high school students who will enter their junior or senior year in fall 2022. During EYF, students learn how their interests can lead them to a career, and they explore career options in various fields, including the arts, business, computers, engineering, science, and more specific topics, such as the internet of things, 3D printing, entrepreneurship, emotional intelligence, and biology. Students who attend EYF receive an application fee waiver to apply to RIT at no cost, and those who enroll at RIT for college will receive a scholarship. That's right, when they participate in EYF, they can apply to RIT for college at no cost, and they'll receive a scholarship! There are two EYF sessions. Your students can choose the session that works best for them. Session I: July 9-14; Session II: July 16-21. Students who participate in EYF this summer will meet other deaf and hard-of-hearing students from all over the country, and it's a wonderful opportunity for them to make new friends! [Check out EYF](#), and encourage your students to [apply today!](#) If you have any questions, contact us at 585-475-6700, toll-free in the U.S. and Canada at 1-866-644-6843, by videophone at 585-743-1366 or by email at EYFinfo@rit.edu.

The University of the South would like to invite students to join our [Chinese Language Camp](#)! The program's primary goal is to immerse students in the language and culture of China, while enjoying Sewanee's 13,000 acre campus.

When: June 15 - July 1, 2022

Where: The University of the South, Sewanee, TN

Who: Rising high-school sophomores, juniors and seniors. Experience with Chinese language is not required.

Students participating in the program will spend a few hours in the classroom each day, before taking their learning outside and enjoying the many outdoor activities available during the summer at Sewanee in an immersive language environment. Given the immersive environment, all students are encouraged to apply. Students should be prepared for a variety of outdoor activities including swimming, hiking, rock-climbing, hiking, gardening, caving, camping, and more! For more information about the camp as well as scholarship opportunities, students can visit the Sewanee Chinese Language Camp [website](#).

The University of Chicago's summer pre-college programs draw from the multidisciplinary emphasis and intellectual richness of the College's Core curriculum. Programs with in-person and online courses include:

Immersion: Course subjects include American politics, biotechnology, developmental psychology, philosophy, physics and more.

One-Week Enrichment: Whether it be leadership, civil discourse, or quantitative analysis of complex problems, each program will advance and enhance skills that students can apply to their studies in high school, college, and beyond.

Stones and bones: Students go behind the scenes at the Field Museum - one of the world's great natural history museums - and into the field in Wyoming to learn how fossils are collected, analyzed, and conserved.

UChicago Summer Online: From anywhere in the world, students can explore subjects like biochemistry, art, and quantitative finance through five-week courses involving real-time interaction, engaging class discussion, and group projects.

Job Opportunities

Amy Peake, Director of Employment for several of our area Zaxby's restaurants, Now that school is back in swing, I would like to reach out to advertise employment. Our Zaxby's group pride ourselves with bringing on high schoolers and helping them to develop workplace skills that will benefit them in their adult working life. Many of our graduated students who go off to college come back to work with us during school breaks.
