PARENT ANNOUNCEMENTS

Parent Volunteers are needed for the "Reality of Money" event on Friday, October 26. The Reality of Money financial simulation allows students to make financial decisions about paying for housing, transportation, and other monthly expenses as they are "transformed" into young adults with jobs and other responsibilities to manage. Volunteers will direct students as they move through various expense stations (directions will be provided). There are three sessions and 30 volunteers are needed for each session. This is a very fun event for both students and parents, and it would not be possible without volunteers, so please consider volunteering for one or all three sessions! Lunch will be provided. Contact Career Development Coordinator, Rebecca Davis (rdavis9@wcpss.net) with questions. Please sign-up to volunteer by using this link: tinyurl.com/ROM-Volunteer. *Students interested in attending the event should register by going to: tinyurl.com/ROM-students.*

ASVAB Career Assessment (November 9):
Have you ever thought about HOW YOU ARE SMART rather than how smart you are? Sometimes strengths cannot be identified in traditional tests, so get to know yourself and determine a career that is fulfilling! Take the ASVAB. This career assessment is FREE for students who are serious about their futures! Any Juniors or Seniors interested in joining the military must take the ASVAB entrance exam, but this test does NOT mean that you have to enter the military if you take the test. Only 10th-12th graders are eligible to take the assessment. The test will be given on Friday, November 9 at 7:25am in the Media Center. The complete test, including instruction time, takes about 3 hours. Students should report to the media center before 7:25 am and be prompt! Students should sign up for the test with the following link (www.tinyurl.com/ASVABnov9) or should sign up with Ms. Davis in the Career Development Office (1406-c). The feedback from the test will provide useful information about your interests, skills,

and possible careers for your future. For more information, please visit
