Hi Broughton Families,

We're excited to tell you about a new program called Givebacks we're trying this year that we think you'll like. It will also help us reach our fundraising goals for the year.

So what is Givebacks and how does it work?

It's simple. Almost every week we'll be adding new special savings on products and services to our eStore

<https://bhs.new.memberhub.store/store?category=Sponsors> that we think can benefit our families - like discounts on online learning tools and meal delivery services. When you purchase one of these Givebacks from our store, up to 20% of ALL sales go back to our PTA! It's also a PERFECT way to get a jump on your upcoming holiday shopping. If you see and purchase a deal you like - share it on social media! The more you share, the more funds we raise. If you're interested in learning more about the program click <https://bhs.new.memberhub.store/store?category=Sponsors>.

Thanks! BHS PTSAP.S. If YOU own a business and you're interested in doing a Givebacks in our e-store, please let us know! We want to include your business.

GLOBAL POINTS OF PROGRESS - Australia: Twenty-six Tasmanian devils have been released into the Barrington Wildlife Sanctuary in Australia, marking the endangered marsupials' first return to the mainland in 3,000 years. The devils' disappearance from Australia was likely related to human hunting habits. Today, there are roughly 25,000 devils left on the island of Tasmania. Despite the species' reputation, Tasmanian devils pose no threat to humans.
