GLOBAL POINTS OF PROGRESS - World: Scientists have developed a technique for extracting precious and heavy metals from electronic waste. The mining of metals such as sodium, copper, and gold for consumer electronics has been linked to health issues, environmental pollution, and war. Most discarded devices end up in landfills; only 20% of hazardous electronic waste around the world is recycled. But a new method of "urban mining" improves upon traditional leaching and smelting recovery of these materials. The process uses a jolt of electricity to instantly heat e-waste to 5,660 degrees Fahrenheit, vaporizing the precious metals. The gases are then separated into a cold trap, where they condense into solid form.

STUDENT ANNOUNCEMENTS [GENERAL]

Broughton High School Arts is proud to present the Duke Ellington's Nutcracker on November 21st at 2:00pm on the Front Lawn. This show will feature the Jazz Ensemble, Orchestra and Dance Department. Admission is \$5.00 and can be purchased at this link <https://fusion-2021-duke-ellington-nutcracker.cheddarup.com> or at the door! Come join us as we kick off the holiday season!

Hey Caps,

The members of Distinct Youth and Project Purpose, a nonprofit organization started by a former Broughton Student, are hosting a drive for victims of homelessness in the Raleigh area. Our goal is to create and donate 100+ care packages before our December holiday break and distribute these packages in and around homeless shelters. Care kits will include toiletries such as lotion, deodorant, soap, toothpaste, toothbrushes, wash cloths, masks, and feminine hygiene products. We are also accepting new or gently used winter apparel such as socks, t-shirts and jackets. Additionally we are seeking fast food gift cards. That way recipients can purchase food items. Five items or \$5 are equal to one hour of Community Service. Donation boxes will be placed in the Media Center, the Cafeteria, and the Front Office. To register your donation, please Scan the QR Code posted at each drop off site, complete the Google Form presented from the QR Code, and you will receive credit in the form of Community Service hours. Make sure that your donation is in a bag with your name on it before placing it in the donation bin. For more information or questions please contact Ms. Closs, Ms. Hunter, Talayla Braswell, or Arielle Brown. Thank you in advance for your donation. SUMMER OPPORTUNITIES

Job Opportunities

Amy Peake, Director of Employment for several of our area Zaxby's restaurants, Now that school is back in swing, I would like to reach out to advertise employment. Our Zaxby's group pride ourselves with bringing on high schoolers and helping them to develop workplace skills that will benefit them in their adult working life. Many of our graduated students who go off to college come back to work with us during school breaks.
