Hi Broughton Families,

We're excited to tell you about a new program called Givebacks we're trying this year that we think you'll like. It will also help us reach our fundraising goals for the year.

So what is Givebacks and how does it work?

It's simple. Almost every week we'll be adding new special savings on products and services to our eStore

<https://bhs.new.memberhub.store/store?category=Sponsors> that we think can benefit our families - like discounts on online learning tools and meal delivery services. When you purchase one of these Givebacks from our store, up to 20% of ALL sales go back to our PTA! It's also a PERFECT way to get a jump on your upcoming holiday shopping. If you see and purchase a deal you like - share it on social media! The more you share, the more funds we raise. If you're interested in learning more about the program click <https://bhs.new.memberhub.store/store?category=Sponsors>.

Many schools, colleges, universities and businesses request information from applicants regarding their prior suspension history. If the application requires a suspension history, the student or parent/legal guardian must complete and submit the Authorization for Release of Disciplinary Record Form to the Office of Student Due Process and: 1. Inform the school/colleges/universities or businesses that requests for verification must be submitted to the Office of Student Due Process, not your high school. 2. Provide them with the Student Due Process fax number and address.
