Hi Broughton Families,

We're excited to tell you about a new program called Givebacks we're trying this year that we think you'll like. It will also help us reach our fundraising goals for the year.

So what is Givebacks and how does it work?

It's simple. Almost every week we'll be adding new special savings on products and services to our eStore

<https://bhs.new.memberhub.store/store?category=Sponsors> that we think can benefit our families - like discounts on online

learning tools and meal delivery services. When you purchase one of these Givebacks from our store, up to 20% of ALL sales go back to our PTA! It's also a PERFECT way to get a jump on your upcoming holiday shopping. If you see and purchase a deal you like - share it on social media! The more you share, the more funds we raise. If you're interested in learning more about the program click <https://bhs.new.memberhub.store/store?category=Sponsors>.

Opportunities to Support Broughton PTSA - Local Artists, Shops, and Restaurants are offering Rebates to BHS PSTA when our Broughton Families support them! Review the the BHS online store [WEBSITE](#) for more information!

Whom Should I Contact? To best support your student and your family as we kick off the year, we want to provide you the fastest response time on your questions as possible. To this end, we've created a [Whom Should I Contact document](#) that provides contact information for commonly asked questions. You can find this on our website under "Our School" at "Contact Us."

GLOBAL POINTS OF PROGRESS - Chile: Chileans have overwhelmingly voted to rewrite their constitution, guaranteeing women and Indigenous peoples a seat at the table. Next spring, the country will return to the polls to select members of the constitutional convention. By law, half of those members will be women.

STUDENT ANNOUNCEMENTS [GENERAL]

The best way to reduce your risk of viral transmission is to limit travel and limit physical contact with people who do not live in your household, according to the NC Department of Health and Human Services. Practice the 3W's and wear a face covering, wait apart to maintain social distancing, and wash your hands frequently. Remember that spikes in community spread could have impacts in our schools and work sites. Let's show how we care by doing our part to minimize the spread.

Join us for our annual collaborative showcase featuring all fine arts programs at Broughton High School on December 17 at 7:00PM. COLLAGE is typically performed throughout our campus but this year we will demonstrate how our students are meeting the moment by adapting our various art forms to new environments. 2020 has been unprecedented and while making art has looked and felt differently the students have proven that they are still here and arts matter more than ever!

Kevin Harvey of Tech Service shared this information that we can advise students when they report the slow speed of the hotspot: Move to the second floor of the house if there is one/ Move closer to a window/ Close multiple tabs / Disconnect cell phones (many families will add cell phones to hotspot to save data usage)

ATTENTION SOPHOMORES: Broughton has been invited to select one sophomore to attend the Hugh O'Brian Youth Leadership [HOBY] Leadership Seminar. This year the Leadership Seminar will be held on the campus of North Carolina State University June 11-June 13, 2021. During the Seminar, Broughton's Ambassador will participate in 3-4 days of fun interactive leadership training, meet state leaders, and make new friends. The seminar curriculum is based on the Social Change Model of Leadership and develops leadership from three perspectives: Personal Leadership, Group Leadership, and Leadership for Society. Last year, Broughton's HOBY Ambassador was Lillian Harrell. If interested in being considered to represent Broughton, email Mr. Rudder at Jrudder@wcpss.net.

STUDENT ANNOUNCEMENTS [JUNIORS & SENIORS]

The WCPSS has made the decision to not allow off campus lunch for students at the start of the 2nd semester when students return to campus for in-person learning.

The PSAT will be offered to registered Juniors on Tuesday, January 26 during periods 1A-3A. This year, WCPSS has decided to allow ONLY 11th graders to participate in this exam. There is a fee of \$17 to take the assessment, but 11th grade students with a GPA at or above 4.3438 can take the test for free. Students who believe they have a GPA at or above 4.3438 and want to take the test should register with this form: tinyurl.com/freepsat2020. All other students should register online. The online registration window for testing will open on 12/1 and will close 12/18. Online registration link: tinyurl.com/BROUGHTONPSAT2020. Students who are unable to participate in the Jan 26 administration (9th, 10th, and 12th graders) can take official PSAT practice tests on their own and get the diagnostic information that can be used to improve future performance. These tests can be found at <https://collegereadiness.collegeboard.org/psat-nmsqt-psat-10/practice/full-length-practice-tests>. Please note the practice tests do not count toward scholarship opportunities. Please contact Testing Coordinator, Rebecca Asbill with questions (rasbill@wcpss.net).

Many schools, colleges, universities and businesses request information from applicants regarding their prior suspension history. If the application requires a suspension history, the student or parent/legal guardian must complete and submit the Authorization for Release of Disciplinary Record Form to the Office of Student Due Process and: 1. Inform the school/colleges/universities or businesses that requests for verification must be submitted to the Office of Student Due Process, not your high school. 2. Provide them with the Student Due Process fax number and address.
