## PARENT ANNOUNCEMENTS

The following information was sent to all families on January 4, 2021 by phone, email, and text message. In the mailing, each family received notification of the student's assigned cohort or confirmation of Virtual Academy enrollment for second semester.

Please ensure you have reviewed the information below that was included in the mailing in preparation for our students' return to the school building on January 20th.

- Cohort Calendar: Please review [this WCPSS cohort calendar](#) to ensure you know when your child(ren) reports to the school building. Your child(ren) only comes to school on the days showing your child(ren)'s cohort number. On the days where your child(ren) stays home, she/he/they will engage in virtual learning. Students in the Virtual Academy will learn remotely for the remainder of the school year.
- Bell Schedule: Beginning January 20th, all of our students will be learning on a different bell schedule given that teachers will be teaching students in-person and online at the same time. Please review [this bell schedule](#) that will begin on January 20, in which 1st period will begin at 7:25 per our WCPSS approved bell schedule. If you have not already reviewed the instructional plan, please do so [here](#).
- Bus Attestation: Any student who will use WCPSS Transportation must complete the online bus attestation form [here](#).

- Student Procedures: We ask that your child(ren) and all parents review [these student procedures](#) in full. We will go over these procedures with students during advisory their first week back at school. The following are the three most important procedural items:
  - 3 Ws: All students are required to follow the 3 Ws at all time anywhere on school property, including outdoors. Students are required to: wear a mask; wait six feet apart from others; and wash their hands/use hand sanitizer frequently.
  - Morning Health Screening: All students will undergo a daily morning health screening, so students must report to only one of two places when they arrive to the building: the front east (right) portico at the front of the building or the front of the Holliday gym near the bus loop. Health screenings will begin at 6:55am, and students should arrive to campus by no later than 7am to get their health screening completed and be in class on time at 7:25am.
  - Technology: All students will be utilizing technology while at school. Students are required to bring their WCPSS issued chromebook or (if preferred) their personal device and a set of headphones to school each day.
- Live, Virtual Parent Sessions: To support our students' transition back to in-person learning or as they continue with Virtual Academy, we are offering two live, virtual parent sessions next week on Wednesday, January 13th at 5pm and Thursday, January 14th at noon. If you would like to attend one of these sessions, please [complete the RSVP here](#) by no later than 4pm on Tuesday, January 12th.

We cannot wait to see your kids in person! Thank you for all of your tremendous support during this unusual time. If you have questions about Virtual Academy, please contact Assistant Principal David Cassidy [dcassady2@wcpss.net](mailto:dcassady2@wcpss.net). For all other questions, please contact the main office at 919-856-7810.

Scholarship Bulletin #13 has been posted on our homepage and can be found by going to Students/Seniors/Scholarship Information/Scholarship Bulletins. It has also been posted on the Student Services Webpage [www.broughtonstudentservices.weebly.com](http://www.broughtonstudentservices.weebly.com).]

The following resource is an awesome "virtual college fair" for our in-state institutions and some other post-secondary options like the military as well:

**Whom Should I Contact?** To best support your student and your family as we kick off the year, we want to provide you the fastest response time on your questions as possible. To this end, we've created a [Whom Should I Contact document](#) that provides contact information for commonly asked questions. You can find this on our website under "Our School" at "Contact Us."

**GLOBAL POINTS OF PROGRESS DURING 2020 - Latin America and the Caribbean: Of the many points of progress on Latin America and the Caribbean during 2020, nearly a third dealt with the conservation of plants, insects and animals.** Marking the end of one of the world's most successful captive reproduction programs, centenarian tortoise Diego finally returned to the Galapagos island of Espanola, where he will live out his retirement among hundreds of descendants. In the South Atlantic Ocean, a new conservation effort is just beginning around the remote archipelago of Tristan da Cunha, where scientists are establishing the world's fourth-largest marine sanctuary. Meanwhile, in Colombia, ex-combatants are training to help preserve the country's biodiversity.

## STUDENT ANNOUNCEMENTS [GENERAL]

College Board is hosting BigFuture Days, which will be a series of virtual events for high school students to connect directly with college reps split up by region. The Southeast Region alone will have representatives from Appalachian State University, Elon, NC State, Wake Forest among other NC schools as well as other schools in the southeast. Students can attend other regional events as well and connect with college reps all over the US.

## STUDENT ANNOUNCEMENTS [JUNIORS & SENIORS]

Seniors: Scholarship Bulletin #13 has been posted on our homepage and can be found by going to Students/Seniors/Scholarship Information/Scholarship Bulletins. It has also been posted on the Student Services Webpage [www.broughtonstudentservices.weebly.com](http://www.broughtonstudentservices.weebly.com).]

Parking Spots Still Available for Juniors and Seniors! There are still parking spots in the front parking lot available for Juniors and Seniors who are returning to campus for in-person learning for the Spring 2021 semester. There will be no cost for these parking spots, and students can sign up for a spot using the link in the School News section of the school website. Parking tags will be distributed through Advisory classes the first week of school, and the parking tags will need to be clearly displayed in student cars. The deadline for signing up for a parking spot is Monday, January 18th. If students return to school under Plan A at any point during the second semester, all parking spots will be reassigned. If you have any questions, please contact Mr. Lentz, [mlentz@wcpss.net](mailto:mlentz@wcpss.net).

The PSAT will be offered to registered Juniors on Tuesday, January 26 during periods 1A-3A. This year, WCPSS has decided to allow ONLY 11th graders to participate in this exam. There is a fee of \$17 to take the assessment, but 11th grade students with a GPA at or above 4.3438 can take the test for free. Students who believe they have a GPA at or above 4.3438 and want to take the test should register with this form: [tinyurl.com/freepsat2020](http://tinyurl.com/freepsat2020). All other students should register online. The online registration window for testing will open on 12/1 and will close 12/18. Online registration link: [tinyurl.com/BROUGHTONPSAT2020](http://tinyurl.com/BROUGHTONPSAT2020). Students who are unable to participate in the Jan 26 administration (9th, 10th, and 12th graders) can take official PSAT practice tests on their own and get the diagnostic information that can be used to improve future performance. These tests can be found at <https://collegereadiness.collegeboard.org/psat-nmsqt-psat-10/practice/full-length-practice-tests>. Please note the practice tests do not count toward scholarship opportunities. Please contact Testing Coordinator, Rebecca Asbill with questions ([rasbill@wcpss.net](mailto:rasbill@wcpss.net)).
