GLOBAL POINTS OF PROGRESS - United States: Alaska's commercial fishing industry has become significantly safer in recent decades. Fishing used to be known as one of the state's most dangerous industries, with dozens of deaths each year from machinery accidents and sinking vessels. As of mid-November, the industry had gone a record 17 months without a reported fatality.

STUDENT ANNOUNCEMENTS [GENERAL]

Students interested in participating in a live television broadcast and/or interested in pursuing broadcast communications as a career over the summer:

The Durham Bulls Explorer Post 50 is a co-ed unpaid internship program that offers students, ages 14-20, a unique and invaluable opportunity to gain exceptional experience in the field of television broadcasting. Durham Bulls Explorer Post 50 is supported and sponsored by the Durham Bulls, Fox 50 and Capitol Broadcasting Company. Now in our 25th season of broadcasting, Post 50 provides the live broadcast of the Durham Bulls games on MeTV, WRAL Sports Plus, MiLB.com as well as within the ballpark. We also provide highlights for FOX 50 and WRAL newscasts. The Durham Bulls and Explorer Post 50 will be holding an Open House on Wednesday, Feb. 8th from 6:30-8:00pm at the Durham Bulls Athletic Ball Park located at 409 Blackwell Street, Durham, NC 27701. Applications are now being accepted for the 2023 Durham Bulls season. If you are interested in being a part of the TV Crew, please complete the [2023 Online Application](#). Applications are due by Sunday, Feb. 19th, 2023 and must be completed to be considered for membership. We will be limiting the crew to 70 members. Interviews – Required for all applicants, new and returning members. Scheduled for Saturday, Feb. 25th and Sunday, Feb. 26th. Training Sessions (New Applicants Only) – Required to attend one training session. Scheduled for Saturday, Mar. 4th and Sunday, Mar. 5th. Acceptance into the program – Notifications will be sent Monday, Mar. 6th. Regular baseball season runs Mar. 31 – Sept. 17, 2023. To learn more about Durham Bulls Explorer Post 50 Program, click [here](#).

The media center is having an art contest to redecorate the walls and shelves with new student work.

Students should come by the media center to look at the various categories of fiction and non fiction to see which area they would like to represent either in painting, photography, pastels, pen and ink, collage, mosaic, mixed media or sculpture. What is your favorite type of book? Who is your favorite author? What are your passions or interests? We need art to represent the various sections of the library and we would LOVE to see your imagination, skill, talent and creativity at work! Come to the media center for more information. This contest is open to ALL students, not just those in art classes. If you love art, have some artistic talent, give it a try! **Submissions are due on January 26th.** Judging will take place on Jan 27th. There will be cash prizes. And there will be an art show of all student work the first week of February. People's choice awards will also be given at the end of the art show.

2023 Updated Tutoring Lab Schedule: We will be adding peer tutors to this schedule, so please see the digital document for the most up to date information.

2023 SUMMER OPPORTUNITIES

[Link to the list that is posted on CFNC with summer enrichment opportunities]

<https://www2.cfnc.org/studentEnrichment>

This summer, choose your adventure abroad -- Language/Science/Leadership/Arts/Business/International Relations. Picture yourself in one of 30 amazing destinations in Europe, Asia, Latin America or Africa. The [CIEE Global Navigator High School Study Abroad immersive programs](#) are three to four weeks long and combine experiential classes led by local experts with excursions you won't want to miss. Contact (866) 583 0332 or hsabroad@ciss.org. Choose your favorite program at ciee.org/summeradventure. Apply by December 1 for a chance to win a free flight. CIEE ([the Council on International Education Exchange](#)) has \$5.4 million in study abroad scholarship funds to award to U.S. high school students in summer 2023! Since Broughton is a magnet school for Global Studies with an IB program, I believe CIEE's mission around global education is very much in alignment with the school's offerings,

The Summer Training in Academic Research (STAR) Program, hosted by Duke University, provides a high-quality research experience for undergraduate students, [high school students](#), and middle and high school teachers during the summer academic break. The eight-week program will give [participants who are interested in science and medicine](#) real hands-on experience in research methodology and writing. Participants are placed in teams and matched with Duke faculty mentors to work on an original, hypothesis-driven project, originating as a one-page summary and culminating in a complete research paper. A goal of the program is to have every participant qualify for co-authorship on a peer-reviewed manuscript related to their team's project. The STAR Program is held at the Duke Clinical Research Institute in Durham, N.C., which has organized educational and support programs for junior faculty, fellows, residents, and medical students as well as high school and college students. *Participants receive a stipend to attend, which makes the program an option even for students who planned to work over the summer break ([see below](#)).* The Duke STAR Program 2023 application period is November 21, 2022 to January 6, 2023. *There will be no extension.* The program will take place June 20 to August 10, 2023. *Questions may be submitted via email (dukestarprogram@duke.edu). We regret that we are unable to respond to phone calls.*
