B-Day

8:15 am

Krispy Kreme Challenge Run 2024! February 3, 2024. *We need your help to "RUN" the race!* Volunteer registration has opened online [here](#) and we are in search of volunteers to be at the Krispy Kreme location, the Belltower site, and along the race route. Raleigh Police Department enforced that we will need 34 volunteers over the age of 21 to be course monitors along the race route. So we would be very appreciative if words could be passed about this specific volunteer requirement and attain the needed number in order to stay within compliance and be permitted to safely organize the race. This year is our 20th year organizing the race as a student-run non-profit, and last year we surpassed a cumulative \$2 million donation to the UNC Children's Hospital. If you would like to be a part of this monumental year by volunteering with us as we continue this tradition, this is your chance! Mark your calendars for February 3rd, 2024! Register online to [VOLUNTEER](#) on race day or [RUN](#) the race. We are beyond grateful and excited for your support and can't wait to see you there! If you have any questions regarding volunteers, please contact me at sabrina.becht@krispykremechallenge.com. -

Sabrina Becht

Logistics Department Head

GLOBAL POINTS OF PROGRESS - United Kingdom: A wiggly beck has returned salmon to a river in northwest England and reduced the risk of flooding downstream.

STUDENT ANNOUNCEMENTS [GENERAL]

There will be a meeting for the Art and Apparel New York trip during Advisory on Jan. 31, in room 3301. Check in with your advisory teacher and head to Ms. B's room.

Queen of Hearts: Attached you will find the QOH Information Packet and guest form sheet. A reminder that sales do not go on sale until January 29th but guest forms for approval **can start now**.

Boy's Golf Interest meeting - 1/29 at 5 PM in Holliday Gym lobby. Tryouts 2/14

Queen of Hearts will be held February 9-10, 2024 in the Holliday Gym. This Broughton tradition is a 2-day celebration of the many facets of Broughton. In addition to the student selected court, Broughton students have an opportunity to entertain the audience with their theatrical, vocal & instrumental talents. Interested in participating in QOH entertainment? Fill out the [GoogleForm](#) on the [@bhscaps linktree page](#) to sign up for an audition slot. Auditions will be held after school (230-630pm) on Wednesday, January 17th. Master of Ceremony (MCs) auditions will be held during advisory.

The SEMII students (Sport & Event Marketing II) are excited for our 7th annual Play4Kay game this Friday, January 19th! All four Broughton basketball teams will be playing in key Cap 6 conference games against the Sanderson Spartans. The JV girls tip-off first at 3:45 followed by the JV boys, then the Varsity girls, and lastly the Varsity boys around 7:45. We will be honoring all cancer survivors in attendance during halftime of the *varsity girls' game* (approximately 6:15). There will be a performance by the BHS Dance Team during the varsity boys' halftime and student government will be hosting games during halftime of ALL FOUR games. SEM students will be selling commemorative, black event t-shirts for \$10 this week during both lunches in the cafeteria, after school in Room 3218 (Lisa Patterson) and at Friday's games as long as they last. Our Play4Kay auction is open for bidding NOW through this Friday at 9 pm. There are a lot of great items in this year's auction that can be viewed online at the link below or viewed in person at Friday's games. 100% of ALL proceeds from our t-shirt sales, our auction, and flamingo flocking (*coming soon*) are donated to the Kay Yow Cancer Fund to support life-saving cancer research. Broughton SEM students (with the support of the entire Broughton community) have donated over \$53,000 to the Kay Yow Cancer Fund since we began our Play4Kay event six years ago as an honors class project. Please visit our event website at tinyurl.com/bhsp4k for more information regarding all our Play4Kay activities. As usual, all WCPSS employees will be admitted to the games for free with your WCPSS ID. CAPS Club Athletic Passes will also be honored. ****All money from ticket sales and concessions helps fund BHS athletes and the athletic programs at BHS, therefore, they are not part of our Play4Kay donation.** We hope to see you Friday!

B-Day

8:15 am

2024 SUMMER OPPORTUNITIES

A summer program hosted by Duke: The Summer Training in Academic Research (STAR) Program provides a high-quality research experience for undergraduate students, **high school students**, and middle and high school teachers during the summer academic break. The eight-week program will give participants who are interested in science and medicine real hands-on experience in research methodology and writing. Participants are placed in teams and matched with Duke faculty mentors to work on an original, hypothesis-driven project, originating as a one-page summary and culminating in a complete research paper. A goal of the program is to have every participant qualify for co-authorship on a peer-reviewed manuscript related to their team's project. The STAR Program is held at the Duke Clinical Research Institute in Durham, N.C., which has organized educational and support programs for junior faculty, fellows, residents, and medical students as well as high school and college students. *Participants receive a stipend to attend, which makes the program an option even for students who planned to work over the summer break (see below).* Summer 2024 applications period is from Nov. 20, 2023 thru Jan. 05, 2024. There will be no extension. The program will take place on June 24 to August 2, 2024. *Questions may be submitted via email (dukestarprogram@duke.edu).*

Give the Gift of Leadership

Applications are now open for the Young Women's Leadership Institute at Saint Mary's School, a two-week elite summer camp with Duke University. Featuring top women leaders, we empower high school girls through extensive leadership training and skills enhancement.

Apply Now: www.youngwomensleadershipinstitute.com

Registration is now open for [Summer 2024 Pre-College Programs at UNC Asheville!](#) Each Pre-College Program will run from Sunday to Friday, with topics spanning the arts and sciences. Participants will live on-campus to fully experience university life and the surrounding Asheville community. The program cost, which starts at \$1,430, includes lodging, meals, course materials, activities and excursions. Dates for our Summer 2024 Pre-College Programs are June 16-21 and June 23-28, with several programs offered across both weeks. Topics include:

- Ceramics
- Climate, Robotics, Rocketry & Aerospace Engineering
- Film Scoring & Sound Design
- Geology & Adventure
- Great Smokies Young Writers Workshop (Creative Writing)
- Meteorology
- Music Composition & Songwriting
- Pre-Med
- River Ecology & Adventure
- Video Game Design

For more information or to register, visit unca.edu/precollege. If you have any questions, feel free to reach out to us at precollege@unca.edu or 828.251.6960.

The University of Chicago's summer pre-college programs draw from the multidisciplinary emphasis and intellectual richness of the College's Core curriculum. Whether it's creative writing, economics, or molecular engineering, students can find a formative college-level experience on campus this summer. Programs with in-person and online courses include Immersion, Enrichment, Stones and Bones and Summer Online. To learn more about the full list of in-person and online courses, application deadlines, program dates, tuition, and scholarship information, visit www.summer.uchicago.edu.
