Thank you, students who donated to the Distinct Youth Clubs service project, "Care Kits 4 the Homeless" by Project Purpose. Project Purpose is a non-profit organization founded by former Broughton student Lekira Moore. Because of your generosity we are on the path to fulfilling our goal of 100 care kits! Our campaign will end TOMORROW. But there is still time and opportunity to help us reach our goal. We are seeking more of the following:

- Unisex bar soap
- Unisex deodorant
- travel size lotion
- travel size hand sanitizer
- Men's & Women's winter gloves
- Unisex socks
- New or gently used Men's & Women's winter coats/jackets

Receptacles are in the Front Office and the Media Center. Thank you for making a difference. You are "providing resources that will enhance the self-worth and well-being of individuals" (quote from Project Purpose) in our area.

This year's Service Club assembly will not be a school-wide assembly. Instead, on Wednesday, December 15, we will host a modified Service Club assembly in the auditorium during advisory class for those who are to be inducted.

The BHS Tutoring Lab, a drop-in center for students to get caught up on work, use resources to finish projects, or work on missing assignments or assessments is now operating. This is a free service and will operate Monday-Thursday through the end of the school year. No appointment is necessary. Students join us beginning at 2:30 PM (stay as late as 4PM). Mondays and Wednesdays the Lab will be in Ms. Meyrick's room 1211. Tuesdays and Thursdays the Lab will be in Mr. Hermanson's room 1320. Work on missing assignments, receive feedback, enjoy snacks and use school resources for projects. We will be having weekly raffles for BHS swag, generously donated by the Broughton High School PTSA!
