PARENT ANNOUNCEMENTS

Scholarship Bulletin #14 has been posted on our homepage and can be found by going to Students/Seniors/Scholarship Information/Scholarship Bulletins. It has also been posted on the Student Services Webpage www.broughtonstudentservices.weebly.com.]

Broughton Community,

These past 11 months have been something else and a lot has changed. For me, there's 2 things that haven't changed: my hair (11 months strong without a haircut), and my passion for raising money for such an amazing cause, St. Baldricks. Please see the information [IN THIS LINK](#) from my former principal and Team T.A.C.K.L.E leader (Teachers Against Cancer Killing Little Educatees), David Gaudet. My hope is that you can contribute in some way to help raise money and conquer kids' cancers. It'd be great to have a strong representation by our Broughton Community by joining Team TACKLE. *If you would like to donate, you can visit my page [HERE](#), or see other members of our team [here](#). By the way, Coach Dawson and I raised OVER \$5,000 last year! Thank you!!!*

Whom Should I Contact? To best support your student and your family as we kick off the year, we want to provide you the fastest response time on your questions as possible. To this end, we've created a [Whom Should I Contact document](#) that provides contact information for commonly asked questions. You can find this on our website under "Our School" at "Contact Us."

GLOBAL POINTS OF PROGRESS - France: France has become the first country to roll out new repairability labels for consumer electronics, part of a widespread effort to reduce electronic waste. Consumers generate millions of tons of e-waste around the world annually, as they replace outdated or failing technology. But a recent survey found that 77% of European Union residents prefer to repair their devices rather than buy new ones.

STUDENT ANNOUNCEMENTS [GENERAL]

We invite all 10th graders to consider joining the International Baccalaureate Diploma Programme! On the Broughton IB website (www.tinyurl.com/BroughtonIB), interested students and families will find a video presentation, live (virtual) meeting details and link, the IB application, and program/course information. Programme applications are due by 3 PM on March 12, 2021.

The Arts department would like to congratulate the following students on their outstanding achievement. They have all won awards from the PTSA "Reflections" contest.

STUDENT ANNOUNCEMENTS [JUNIORS & SENIORS]

ACT On-Campus for Juniors

The ACT is scheduled on-campus for all 11th graders on Tuesday, February 23. All 11th Grade students must go to my.act.org to create their MyACT account prior to test day. Once the account is created, students will need to login to complete their profile and demographic information. Students do NOT need to register for the February 23 test. Students are already registered for the test, but they still need to create their own MyACT account so that they can receive their scores electronically. Once students create their login and they sign into the MyACT site, they should click their name at the top right corner of the screen and complete the "About Me" section to complete their test profile. More details about test day and directions for students will be shared closer to test day.

Seniors: Scholarship Bulletin #14 has been posted on our homepage and can be found by going to Students/Seniors/Scholarship Information/Scholarship Bulletins. It has also been posted on the Student Services Webpage www.broughtonstudentservices.weebly.com.]
