Capital Auditorium Campaign

In partnership with Broughton PTSA and Capital Foundation, we kicked off the Capital Auditorium Campaign last night! Please read below and the attached PDF that we are sending out to the community and alumni. We would love to have you all help us spread the word. There are so many ways to support, and all include perks! The Diane Payne Auditorium at Broughton High School has long been the center of activities for the Broughton community since 1929. It has hosted thousands of beautiful arts performances including, Band, Orchestra, Choir, Dance, and Theatre; it also serves as an important meeting space for student groups, new student orientations, PTA meetings and special ceremonies like the Awards Assembly, National Honor Society Inductions, Retirement Celebration, and the Candlelight Service. The auditorium has also played host to numerous dignitaries including Presidents, politicians, nationally renowned artists such as Golden Globe Winner Ariana DeBose, and most memorably, Dr. Martin Luther King, Jr. The space has served every facet of our school community and beyond, and now is in need of some care and attention. We are partnering with the Broughton PTA, Capital Foundation and Broughton High School to help bring some life back into our beautiful auditorium, starting with new carpet! The total cost of the project is \$20,000 and we are hoping to fundraise \$10,000 of that with your support. We hope that because we all enjoy the opportunity to perform, meet, and socialize in this special space, we can all come together to help ensure that it will serve our community for many years to come!

Senior Ads for the Yearbook - If you want to purchase a Senior Ad or know someone who might, let them know to do so before February 10. February 10th will be the last day for Senior Ads to be purchased so do so as soon as possible.

Men's Golf Interest Meeting - February 7 at 5:30 PM in the Holliday Gym Lobby. Parents and athletes are asked to attend.

GLOBAL POINTS OF PROGRESS - Egypt: A traditional peer-to-peer lending system is gaining new life through apps, helping keep female business owners afloat. Many women in Egypt run small, home-based businesses that don't qualify for loans from big banks, and microlenders often charge excessive interest rates. In response, apps now replicate *gameya* - a centuries-old tradition of rotational savings agreements among neighbors - as an alternative for cash-stripped business owners.
