STUDENT ANNOUNCEMENTS [JUNIORS & SENIORS]

Friday, January 11, is the registration deadline for the February 9th ACT. Friday, January 18th, is the late registration deadline.

Calling all current 11th Graders!

If you are interested in pursuing an internship for your senior year, please plan to attend an [Internship Interest Meeting](#) during the month of January in Advisory class.

- Did you know you can leave campus and go to work during the school day for HONORS course credit?
- CTE Internship is a year long course that allows 12th grade students to take an active working role in a local business or organization for HONORS credit.
- An internship looks great on a college application and on a resume!

While an internship is only available for 12th graders, students must apply for acceptance into the Broughton Internship Program during their 11th grade year. (*Students who do not attend a Pre-Internship meeting will NOT be eligible to enroll in an internship during their senior year.*)

Students should register for the Internship Interest Meeting by going to: tinyurl.com/bhsinternship

Female 11th Graders who are currently in leadership positions or who aspire to assume leadership positions in their senior year: The Meredith College Office of Student Leadership & Service, in collaboration with the Office of Admissions, invites you to participate in a free conference for high school juniors designed to develop and sharpen leadership skills. Whether you're already a student government officer, a team captain, or interested in becoming a leader, this conference can help you become a more effective and collaborative leader. The conference is scheduled for Saturday, February 2, 2019 from 9:15am – 3:15pm. For more information and to register visit <https://recruit.meredith.edu/register/LC>.

Save the date for Broughton's 2nd Annual [Play4Kay](#) game on Thursday, January 17, 2019! Raising funds for the Kay Yow Cancer Fund, this year's event has expanded to include both games (varsity women at 5 PM and varsity men at 6:30 PM), more raffle prizes, a silent auction, an online fundraising site, cancer survivor recognition during both halftimes, and more! The Sports & Entertainment Marketing 2 classes are working hard on this special event as an honors class project (and gaining practical marketing experience in the process) with the goal of doubling last year's donation of \$1,111.

Per NCHSAA regulations, we don't receive any money from ticket sales, so we will be selling raffle tickets along with special event t-shirts and wristbands (both designed by SEM2 students) in addition to the sponsorships and online donations that we receive. Please visit <https://sites.google.com/students.wcpss.net/broughtonplay4kay/> (and share it with your friends) to make a donation, find out more about sponsorship opportunities, or to be recognized at the game as a cancer survivor. If you know of a potential sponsor (can be via direct financial contribution or in the form of items to be raffled or auctioned) that our students should contact, please email mpatterson2@wcpss.net
