PARENT ANNOUNCEMENTS

The International Baccalaureate Diploma Programme is an excellent opportunity for 11th and 12th grade students to develop their thinking, research, writing, reflective, and organizational skills across a range of subjects and earn advanced university standing. There will be a meeting for the parents/guardians of prospective IB students on February 28 at 5:30 PM in the Broughton auditorium. Additionally, there will be information sessions for prospective students during both lunches in Pod 2-4 on Feb 26, Feb 27, Feb 28, Mar 4, Mar 6, and Mar 14. For more details, please view the Broughton IB website, <https://sites.google.com/wcpss.net/broughton-ib/welcome>.

Weekly Parent Message: [Click here for the Parent Message.](#)

Senior Parents & Seniors:

A reminder to create a FSA ID so you will have your username and password NOW THAT FAFSA IS OPEN. EVERY Student **AND Parent/Contributor** must have a FSA ID this year.

<https://drive.google.com/file/d/1G1slJ31HqKMUrsljRg8zzuFtdtLx3xkP/view?usp=sharing>

Seniors and juniors may sign up to meet with college representatives who visit Broughton throughout the school year. Of course, **parents are always welcome to attend**. Sessions meet on the first floor hallway in front of the small gym.

STUDENT ANNOUNCEMENTS [JUNIORS & SENIORS]

Meredith College offers an annual women's leadership conference for **high school juniors** who are interested in developing and sharpening their leadership skills. The Meredith College Office of Student Leadership and Service, in conjunction with the Office of Admissions, will host this free conference on Saturday, February 24, 2024. [Registration is now open](#). Please register by Monday, February 19, 2024. Call the Office of Admissions at 1-800-MEREDITH or e-mail us at admissions@meredith.edu with any questions.

Juniors: [Swarthmore College](#), one of the nation's top [liberal arts](#) and [engineering](#) colleges, is now [accepting nominations](#) for their all-expenses-paid fly-in program Discover Swarthmore. [Discover Swarthmore](#) was designed to level the playing field for students who may not be able to visit our campus in person without financial assistance, or have other obstacles on their path to college. [Nominations](#) are due Saturday, June 15, 2024. Rising high school seniors stay on a college campus for a few days and get a taste of the college experience — meeting current students and professors, eating in the dining hall, and spending a few nights in college dorms with student hosts — with all expenses paid by Swarthmore. Not only do students get a glimpse of college life, but they also gain valuable information about college admissions and financial aid from experts. Fly-in programs are also a helpful way to see if a specific college is the right fit for them. While the Fall 2024 program dates have not yet been finalized, we typically offer two Discover Swarthmore programs, in mid-September and late October, to give students maximum flexibility. Last fall, our on-campus programs took place during the last weekends of September and October. If interested in being nominated, see Mr. Rudder in the Guidance Resource Center, Room 1209 any day before noon. Deadline: Saturday, June 15, 2024.

Senior Parents & Seniors:

A reminder to create a FSA ID so you will have your username and password NOW THAT FAFSA IS OPEN. **EVERY** Student AND Parent/Contributor must have a FSA ID this year. <https://drive.google.com/file/d/1G1sIJ31HqKMUrSjjRg8zzuFtdtLx3xkP/view?usp=sharing>

Seniors,

QOH building started this weekend at 2109 Banbury road. Lunch will be provided on Saturdays. Click [HERE](#) to see the schedule.

College & University Reps Visiting Broughton

Seniors and juniors may sign up to meet with college representatives who visit Broughton throughout the school year. [Please sign up to attend here](#). Parents are welcome to attend.

Friday, March 8. 2024

B-Day

8:15 am

2024 SUMMER OPPORTUNITIES

A summer program hosted by Duke: The Summer Training in Academic Research (STAR) Program provides a high-quality research experience for undergraduate students, **high school students**, and middle and high school teachers during the summer academic break. The eight-week program will give participants who are interested in science and medicine real

hands-on experience in research methodology and writing. Participants are placed in teams and matched with Duke faculty mentors to work on an original, hypothesis-driven project, originating as a one-page summary and culminating in a complete research paper. A goal of the program is to have every participant qualify for co-authorship on a peer-reviewed manuscript related to their team's project. The STAR Program is held at the Duke Clinical Research Institute in Durham, N.C., which has organized educational and support programs for junior faculty, fellows, residents, and medical students as well as high school and college students. *Participants receive a stipend to attend, which makes the program an option even for students who planned to work over the summer break (see below).* Summer 2024 applications period is from Nov. 20, 2023 thru Jan. 05, 2024. There will be no extension. The program will take place on June 24 to August 2, 2024. Questions may be submitted via email (dukestarprogram@duke.edu).

Give the Gift of Leadership

Applications are now open for the Young Women's Leadership Institute at Saint Mary's School, a two-week elite summer camp with Duke University. Featuring top women leaders, we empower high school girls through extensive leadership training and skills enhancement.

Apply Now: www.youngwomensleadershipinstitute.com

Registration is now open for [Summer 2024 Pre-College Programs at UNC Asheville!](#) Each Pre-College Program will run from Sunday to Friday, with topics spanning the arts and sciences. Participants will live on-campus to fully experience university life and the surrounding Asheville community. The program cost, which starts at \$1,430, includes lodging, meals, course materials, activities and excursions.

Dates for our Summer 2024 Pre-College Programs are June 16-21 and June 23-28, with several programs offered across both weeks. Topics include:

- Ceramics
- Climate, Robotics, Rocketry & Aerospace Engineering
- Film Scoring & Sound Design
- Geology & Adventure
- Great Smokies Young Writers Workshop (Creative Writing)
- Meteorology
- Music Composition & Songwriting
- Pre-Med
- River Ecology & Adventure
- Video Game Design

For more information or to register, visit unca.edu/precollege. If you have any questions, feel free to reach out to us at precollege@unca.edu or 828.251.6960.

The University of Chicago's summer pre-college programs draw from the multidisciplinary emphasis and intellectual richness of the College's Core curriculum. Whether it's creative writing, economics, or molecular engineering, students can find a formative college-level experience on campus this summer. Programs with in-person and online courses include Immersion, Enrichment, Stones and Bones and Summer Online. To learn more about the full list of in-person and online courses, application deadlines, program dates, tuition, and scholarship information, visit www.summer.uchicago.edu.

Tufts Pre-College Programs offer ambitious high school students the opportunity to learn from renowned faculty and experience a rigorous academic environment at a leading higher education institution. We are excited to welcome students to campus this summer for over 20 programs, including our new offering -- Engineering with Artificial Intelligence. Our offerings span across a wide array of subject areas from engineering, studio art, coding,

entrepreneurship, international relations, leadership, and so much more. For more information, visit www.precollege.tufts.edu/team.

The Furman University Jazz Studies program and the Greenville Jazz Collective are excited to invite high school students to our Summer Jazz Camp at Furman University June 23-27. The camp is designed for high school [and middle school students with approval], and it will include instruction by the best jazz musicians in Upstate South Carolina. We are pleased to include both overnight and commuter options. Students will perform in small and large jazz ensembles and receive instruction on improvisation, jazz history, jazz theory, and instrument-specific topics. We will also have nightly concerts featuring our clinicians and the Greenville Jazz Collective Big Band. The cost is \$575 per student for overnight and \$455 for commuter students, but the Greenville Jazz Collective is offering scholarships based on need. To apply for or inquire about scholarships, email JazzCamp@greenvillejazzcollective.com.

Students can explore different career paths and majors, live on a university campus, and challenge themselves with Rochester's Pre-College Programs. Our summer programs give students the freedom to experience Rochester's unique curriculum and join others from around the world. Pre-College Programs not only give students a taste of the college experience, but they also introduce them to unique perspectives, cultures, and ways of thinking about the world. Encourage your students to check out Rochester's programs for next summer. Questions? Contact us at (585) 275-3221 or precollege@rochester.edu.
