Whom Should I Contact? To best support your student and your family as we kick off the year, we want to provide you the fastest response time on your questions as possible. To this end, we've created a [Whom Should I Contact document](#) that provides contact information for commonly asked questions. You can find this on our website under "Our School" at "Contact Us."

GLOBAL POINTS OF PROGRESS - Congo: Communities in Congo are obtaining legal ownership over the forest areas where they reside, and evidence suggests these concessions can help combat climate change. The Congo Basin, the world's second-largest rainforest, sinks 1.2 billion metric tons of carbon dioxide annually and houses an estimated 10,000 unique species. However, the critical ecosystem faces accelerating deforestation, largely driven by small-scale agriculture. Since the first concession was granted in 2017, around 7,700 square miles of forest have been allocated, or are in the process of being allocated, to local communities.

Broughton has been asked to nominate students with an interest in the field of medicine to attend the upcoming *National Youth Leadership Forum [NYLF]: Medicine*, an Envision by WorldStrides program, to be held this summer, 2021. Broughton can nominate up to 10 students in grades 9-11 who have demonstrated leadership potential. During nine days of firsthand experiences in a motivating and challenging environment, students will examine state-of-the-art diagnostic tools and future medical specialties in detail and will gain a valuable head start toward the careers and successes they dream of achieving. By attending *NYLF Medicine*, qualifying students may also receive college credit through George Mason University. Our nominations must be submitted by February 19. If interested, email Mr. Rudder at rrudder@wcpss.net.

In Recognition of Black History Month, students can read from the BHS Library Collection of African American biographies. To locate a book, please do the following:

- log into Wakeid
- Click on the Follette/Destiny icon
- Scroll down to Collections
- Click on African American Biographies
- Click on a title
- Click on hold

- Pick up your book at the media center circulation desk

Happy Reading!

We invite all 10th graders to consider joining the International Baccalaureate Diploma Programme! On the Broughton IB website (www.tinyurl.com/BroughtonIB), interested students and families will find a video presentation, live (virtual) meeting details and link, the IB application, and program/course information. Programme applications are due by 3 PM on March 12, 2021.

Looking for something to do this summer? Check out the Research Apprenticeship Program [RAP]. North Carolina Agricultural and Technical State University's College of Agriculture and Environmental Sciences {CAES} invites RISING HIGH SCHOOL JUNIORS AND SENIORS to participate in a two-week, virtual research internship program, June 7-18. The program will operate virtually from 9:00am - 4:30pm, Monday-Friday. Upon graduation from high school and enrollment at N.C.A&T in a CAES program, participants will receive an \$800 scholarship. The scholarship will be distributed during the first and second semesters of the student's freshman year. Applications are available online at <http://bit.ly/RAPncat>. Application Deadline: February 26, 2021.

College Board is hosting BigFuture Days, which will be a series of virtual events for high school students to connect directly with college reps split up by region. The Southeast Region alone will have representatives from Appalachian State University, Elon, NC State, Wake Forest among other NC schools as well as other schools in the southeast. Students can attend other regional events as well and connect with college reps all over the US.

ACT On-Campus for Juniors

The ACT is scheduled on-campus for all 11th graders on Tuesday, February 23. All 11th Grade students must go to my.act.org to create their MyACT account prior to test day. Once the account is created, students will need to login to complete their profile and demographic information. Students do NOT need to register for the February 23 test. Students are already registered for the test, but they still need to create their own MyACT account so that they can receive their scores electronically. Once students create their login and they sign into the MyACT site, they should click their name at the top right corner of the screen and complete the "About Me" section to complete their test profile. More details about test day and directions for students will be shared closer to test day.
