GLOBAL POINTS OF PROGRESS - Japan: Schools and businesses in Japan, where traditional roles are deeply entrenched, are beginning to adopt more gender-inclusive policies. According to a recent poll by Kyodo News, more than 600 prefecture-run schools have relaxed restrictive dress codes in the past five years. Japan Airlines also announced last year it will retire the phrase "ladies and gentlemen" from English in-flight announcements, and allow female flight attendants to wear pants and flat shoes. These changes follow campaigns to raise awareness of institutionalized sexism in the workplace and the challenges LGBTQ and female students face, but advocates say the revised dress codes serve everyone.

STUDENT ANNOUNCEMENTS [GENERAL]

Any student who has failed Semester 1 will have the opportunity to earn a 60% on their Semester 1 grade if and only if they pass both 3rd Quarter and 4th Quarter within their current classes.

BHS Sports & Entertainment Marketing students are so excited for our 4th annual Play4Kay fundraiser event after we raised more money for the Kay Yow Cancer Fund than any other high school in the country last year! Although we're unable to host a Play4Kay basketball game this year, we'll be carrying on two our favorite traditions by selling commemorative t-shirts and hosting an online silent auction. We are also adding a couple of new elements this year - "flamingo flocking" and a series of restaurant spirit nights. Spirit nights are not only a way to raise money for the Kay Yow Cancer Fund but also a way to help our local restaurants who have been heavily impacted by COVID restrictions. Visit our [Play4Kay event website](#) for more information on all of our upcoming events. Mark your calendars: Our first spirit night will coincide with our return to campus! [WELCOME BACK WEDNESDAY](#) is set for Wednesday, February 17 from 5-8 at Tijuana Flats (1310 E. Millbrook). Place your order at the restaurant or order online for delivery/curbside pickup. As long as you use promo code "SPNT138", 20% of these spirit night sales will be donated to the Kay Yow Cancer Fund on behalf of Broughton's Play4Kay fundraising team. Welcome back.....See you at Tijuana Flats!!

This summer the event, designed to provide rising high school senior girls an opportunity to study citizenship in a democracy with a "hands-on" approach, will be held virtually June 14-18. For more information, visit www.alathgs.com. Then, girls who are interested must visit www.legion.org to get an endorsement by the local Unit in Wake County.

ACT On-Campus for Juniors

The ACT is scheduled on-campus for all 11th graders on Tuesday, February 23. All 11th Grade students must go to my.act.org to create their MyACT account prior to test day. Once the account is created, students will need to login to complete their profile and demographic information. Students do NOT need to register for the February 23 test. Students are already registered for the test, but they still need to create their own MyACT account so that they can receive their scores electronically. Once students create their login and they sign into the MyACT site, they should click their name at the top right corner of the screen and complete the "About Me" section to complete their test profile. More details about test day and directions for students will be shared closer to test day.
