The Broughton Travel Fellowship Selection Committee has decided to hold a selection cycle for Summer 2022. Applications are now open and will close on midnight, March 4th. The BTF provides funding and support for JUNIORS DEMONSTRATING FINANCIAL NEED to travel internationally during the summer prior to their senior year. The BTF

covers all costs associated with the trip and there is no financial obligation for the student or the student's family. Applicants must be a Junior in high school, demonstrate financial need, remain in good academic standing, maintain character that serves as a model to his or her peers, be willing to document his or her experience and be willing to speak publicly at Broughton about his or her experience to the student body. There is no GPA requirement. Fellows will be selected based on a combination of demonstrated achievement [academic and extracurricular] as well as the potential for achievement in the future.

To apply, students must submit an application through the website www.broughtontravelfellowship.com. Applicants are asked to submit a letter of recommendation with the application. The letter may be written by a teacher, school counselor, mentor, community member, sports coach, etc. For more information, email broughtontravelfellowship@gmail.com.

Counselors will be meeting with students during the month of February to advise them on course registration for the 2022-23 school year. Teachers will be making recommendations this month and sharing a presentation with their English classes regarding registration prior to counselors coming to advise students one on one. Course registration on PowerSchool will open for students on Feb. 28 and remain open for students to select their courses until March 14th. All registration information, including a course listing and course description guide, can be found on the [BHS Registration Homepage](#).

There will be a Rising 10th-12th Registration Information Session for parents at 6pm on Thursday, Feb. 17th. This session will be held virtually and parents can join at the following link: <https://meet.google.com/fiw-qnka-itg?authuser=0>. Parents/Students are encouraged to watch the video presentation for their corresponding class on the [BHS Registration Homepage](#) before attending the session.

Raleigh Tutoring and the Wade Edwards Learning Lab (WELL) are once again offering their popular SAT and ACT boot camps. These 6.5-hour classes are held on Saturdays approximately one week before each test and provide students with the content knowledge and test-taking strategies they need to earn a strong score. For more info or to register: <https://www.wade.org/act-sat-prep>

GLOBAL POINTS OF PROGRESS - United States: Banks are canceling or lowering overdraft fees, which disproportionately affect poor Americans. Overdraft fees hit spenders when their bank accounts run dry, generally adding around \$35 to any transaction for which there aren't enough funds. Capital One and Wells Fargo decided to cut overdraft fees entirely, while Bank of America reduced charges to \$10 and JPMorgan Chase is eliminating fees for customers who overdraw by small amounts up to \$50.

STUDENT ANNOUNCEMENTS [GENERAL]

Students considering veterinary medicine as a possible career: A group of VetPAC interns enrolled in the vet school at NCSU will be at Broughton to speak with students on Wednesday, February 23. If interested in meeting with these interns, sign up in the book outside the Guidance Resource Center [Room 1209].

The Wake County Chapter of The National Society of the Colonial Dames of America invites Broughton freshmen, sophomores and juniors to enter their annual Congressional Essay Contest. Winners receive full tuition, including seminar materials, university campus housing, and two meals daily, for a week of citizenship education about the national government, plus fun, new friends, and tours of sites in our nation's capital. This year's essay topic is especially relevant with fall elections just around the corner.

Essay Topic:

"The Electoral College was established in the U.S. Constitution as the election process for the President and Vice President. Support retaining the Electoral College, or propose and support another system to operate in its place."

Are you interested in joining the Broughton yearbook staff? Do you like photography and digital design? Working with others to make a cool, unique product for the student body? Do you like going to school events and talking to people? If so, a yearbook class would be perfect for you. We are a small group of creative students that take pictures, design layouts and follow the school's top events. If you are interested, fill out the application in the QR code, or get a hard copy of the application from an English teacher, to have a yearbook class on your 2022-2023 class

registration! Applications need to be in to Ms. Schmelzenbach in Pod 2 room 5, Ms. Schmelzenbach's mail box, or the Google Form linked to the QR code. Application deadline is 22nd of February.

We invite 10th graders and their families to check the Broughton IB website to view registration materials, find out about meeting opportunities, and access the IB Program application. There will be a live, virtual Q&A session at 5:30 PM on February 24, and you'll find the meeting link on the IB website. Applications are due on March 14. The following is the "Join Us" page of the Broughton IB website, where you will find many useful materials--<https://sites.google.com/wcpss.net/broughton-ib/join-us>

Juniors interested in Wofford College [SC]: Wofford proudly announces the 74th annual Wofford Scholars Program. Qualified candidates are eligible to compete for scholarships ranging from \$15,000 per year up to a full scholarship. Broughton has been invited to nominate current juniors as Wofford Scholars. ***The deadline for nominations is June 15, 2022.*** Any nominations submitted after June 15 will be considered on a case-by-case basis. The criteria for nomination are as follows:

- Students must rank in the top 10% of the class. (If your school does not rank, you may be asked to send transcripts)
- Students must have achieved a minimum score of 1300 (critical reading and math combined) on the SAT or 28 composite on the ACT.
- Students must, in your opinion, demonstrate qualities of scholarship, leadership, and potential for success. Students should also have an interest in attending Wofford College.
- All students who are nominated for this program must apply by either our Early Decision or Early Action deadline.

Nominations must be submitted to us at <http://www.wofford.edu/scholars/>. Nominees are screened by the Wofford Scholars Selection Committee. **If your students meet the criteria**, they will be invited to participate in Wofford Scholars Day in November. This program includes interviews for the students and various information sessions for nominees and their parents. See your counselor if interested in being considered for nomination.

If you're looking for a way to help your college-bound high school students make important decisions about life after high school, encourage them to join us at Rochester Institute of Technology this summer for [Explore Your Future!](#) EYF is a week-long, on-campus summer program for college-bound deaf and hard-of-hearing high school students who will enter their junior or senior year in fall 2022. During EYF, students learn how their interests can lead them to a career, and they explore career options in various fields, including the arts, business, computers, engineering, science, and more specific topics, such as the internet of things, 3D printing, entrepreneurship, emotional intelligence, and biology. Students who attend EYF receive an application fee waiver to apply to RIT at no cost, and those who enroll at RIT for college will receive a scholarship. That's right, when they participate in EYF, they can apply to RIT for college at no cost, and they'll receive a scholarship! There are two EYF sessions. Your students can choose the session that works best for them. Session I: July 9-14; Session II: July 16-21. Students who participate in EYF this summer will meet other deaf and hard-of-hearing students from all over the country, and it's a wonderful opportunity for them to make new friends! [Check out EYF](#), and encourage your students to [apply today!](#) If you have any questions, contact us at 585-475-6700, toll-free in the U.S. and Canada at 1-866-644-6843, by videophone at 585-743-1366 or by email at EYFinfo@rit.edu.

Oxford Royale Academy's International Summer School 2022 on the campus of the University of Oxford. Participants choose from 19 fascinating courses, taught by experts in their field. Students live, dine and study on the campus of the University of Oxford with people from all over the world. Apply at www.oxford-royale.com.

The University of the South would like to invite students to join our [Chinese Language Camp!](#) The program's primary goal is to immerse students in the language and culture of China, while enjoying Sewanee's 13,000 acre campus.

When: June 15 - July 1, 2022

Where: The University of the South, Sewanee, TN

Who: Rising high-school sophomores, juniors and seniors. Experience with Chinese language is not required.

Students participating in the program will spend a few hours in the classroom each day, before taking their learning outside and enjoying the many outdoor activities available during the summer at Sewanee in an immersive language environment. Given the immersive environment, all students are encouraged to apply. Students should be prepared for a variety of outdoor activities including swimming, hiking, rock-climbing, hiking, gardening, caving, camping, and more! For more information about the camp as well as scholarship opportunities, students can visit the Sewanee Chinese Language Camp [website](#).

The University of Chicago's summer pre-college programs draw from the multidisciplinary emphasis and intellectual richness of the College's Core curriculum. Programs with in-person and online courses include:

Immersion: Course subjects include American politics, biotechnology, developmental psychology, philosophy, physics and more.

One-Week Enrichment: Whether it be leadership, civil discourse, or quantitative analysis of complex problems, each program will advance and enhance skills that students can apply to their studies in high school, college, and beyond.

Stones and bones: Students go behind the scenes at the Field Museum - one of the world's great natural history museums - and into the field in Wyoming to learn how fossils are collected, analyzed, and conserved.

UChicago Summer Online: From anywhere in the world, students can explore subjects like biochemistry, art, and quantitative finance through five-week courses involving real-time interaction, engaging class discussion, and group projects.

To learn more about Summer Session, or to apply to the program, visit www.summer.uchicago.edu.
